House Set To Risk Veto On Postal Pay Raise Bill

State To Vote Funds For Free Polio Vaccine

LANSING (AP)—The House started work today on a bill to provide two million dollars worth of free polio vaccine for Michigan children, but a hitch may develop in the plan.

Parke, Davis & Co., Detroit pharmaceutical house manufacturing the Salk vaccine, denied that it could supply enough of the serum within the next 60 days to inoculate one and one quarter million Michigan children.

Plant At Capacity

Dr. Albert E. Heustis, state health commissioner, said earlier that the firm had indicated in a telephone conversation that it could meet the request.

"Our facilities will be working at capacity on requirements of the National Foundation for Infantile Paralysis during that period," said Homer C. Fritsch, executive vice president of Parke, Davis.

The company statement left it uncertain whether the program, launched by Lt. Gov. Hart, could succeed. Hart's idea depends to a large extent on the availability of the vaccine before the start of the polio season.

Dr. Heustis was not available for comment on the company's announcement.

Priorities Specified

Meanwhile, however, the House began to move on a bill introduced by Rep. Richard D. Van Dusen (R-Birmingham) to appropriate two million dollars, to provide free vaccine for one and one quarter million children.

Van Dusen said he would ask the House Ways and Means Committee to incorporate the request in a deficiency appropriation bill already passed by the Senate.

The vaccine would be made available free to Michigan children under the age of 10 and to pregnant women. It could be administered either by private physicians or by local health officers.

Under the plan, doctors could get the state vaccine without charge. But they would have to agree to use it on the basis of recommended priorities.

Highest priority would go to pregnant women and to children under five years of age.

Salk Won't Use Awards Himself

PITTSBURGH (AP)—Dr. Jonas E. Salk, developer of the anti-polio vaccine that bears his name, said today that contributions being sent him would be deposited in a trust fund and that none of the money would "be used by me personally."

The University of Pittsburgh scientist said he thought the funds probably would be used in the field of preventive medicine.

His statement early today came after announcement of the Tuesday night on the "See It Now" television program of Edward R. Murrow.

Although not revealing how much money he has received, Dr. Salk issued this statement:

"The funds received have been deposited in a trust, the disposition of which will be made when there has been time for consideration and consultation.

"We want to emphasize that we are not soliciting funds. Nor have we authorized anyone else to do so. The funds received will not be used by me personally."

Since Dr. Salk's vaccine was revealed to be 80 to 90 per cent effective a week ago, an estimated 10,000 letters, telegrams and telephone calls have been sent him at the University of Pittsburgh.

Weather

Reported by U. S. Weather Bureau

UPPER MICHIGAN: Cloudy with occasional showers and slowly diminishing winds tonight and Thursday; little change in temperature.

ESCANABA AND VICINITY: Partly cloudy to cloudy with occasional showers likely tonight and Thursday; little change in temperature; low tonight around 40°; high Thursday in low 50s. South to southwest winds 15 to 25 mph tonight, diminishing Thursday.

(High yesterday and low today)

CHURCHES PRAY FOR CHILD—Mr. and Mrs. Paul Russell of Morton Grove, Ill., keep bedside vigil over their daughter, Gayle, 5, who has been in a paralytic coma for 29 days at a Chicago hospital. Gayle, who has been bedridden with illness since January, underwent an emergency appendectomy March 4th. Complications set in and two weeks later she fell into a coma. Members of all churches of her home town have begun special prayers for her recovery. (NEA Telephoto)

Tax Refund Doesn't Clear Mc Carthy, Says Sen. Watkins

WASHINGTON (AP) — Sen. Watkins (R-Utah) said today a $1,056.75 tax refund check produced by Sen. McCarthy in no way clears the Wisconsin Republican of improper conduct charges voted by the Senate.

McCarthy showed the check at two news conferences Tuesday. He said it proves his financial affairs have been in apple pie order—and that the Watkins Committee and an earlier Senate group were "completely dishonest" in investigating him.

Contempt Charge Remains

The Wisconsin senator said the Watkins Committee and an elections subcommittee which raised question about his financial affairs in 1951-52 "owe an apology, not to me but to the American people."

Watkins, chairman of a special committee that recommended censure of McCarthy last year, commented in a hand-written statement to a reporter:

"The Senate has condemned McCarthy for misconduct toward two of its committees and the Senate itself.

"He has not been purged of contempt.

"No apologies are in order from the Senate committees or the Senate. And as far as I am concerned none will be forthcoming."

Aimed At Democrats

McCarthy's "completely dishonest" blast was aimed, too, at the elections subcommittee headed at first by former Sen. Gillette (D-Iowa) and later by Sen. Hennings (D-Mo).

Gillette said most of the inquiry into McCarthy's tax affairs came after he left the subcommittee, and he added, "it is a closed chapter as far as I am concerned."

Eisenhower Will Do His Best To Build Peace, Says Zhukov

NEW YORK (AP)—Marshal Georgi Zhukov of the Soviet Union says he is certain President Eisenhower "will do his best to promote in practice the cause of peace."

In a letter to the annual dinner of the Overseas Press Club Tuesday night, the Soviet defense minister sent "friendly greetings and good wishes" to Eisenhower and the American people.

But, at the same time, he attacked the Paris and London defense treaties and the politicians who "are trying to prompt the peoples an idea that a war is to inevitably explode sooner or later . . ."

Nothing New Said

Present world tension cannot be reduced by "brandishing the atom bomb, building military bases around an imaginary enemy and threatening with the possibility of razing him to the ground," Zhukov said.

Referring to President Eisenhower, whom he met in Germany during World War II, Zhukov said:

"I am sure that he will recollect our common assurances concerning the peaceful intention of our countries and will do his best to promote in practice the cause of peace."

At the President's vacation headquarters in Augusta, Ga., White House Press Secretary James C. Hagerty said:

"The only comment I have is that Zhukov is saying nothing that we haven't said many times."

Only Two Replies

Zhukov's letter was in response to an invitation by the Overseas Press Club. A number of world leaders were invited to answer the question "Do you believe that all existing controversies can be settled by peaceful methods? If so, what means do you advocate to that end?"

Zhukov and Generalissimo Chiang Kai-shek of Nationalist China were the only ones to reply. President Eisenhower, Britain's former prime minister, Sir Winston Churchill, and his successor, Sir Anthony Eden, were, among those to whom the question was addressed.

In his reply, Chiang Kai-shek warned against appeasement at any price and reiterated the Nationalists' stand to defend the offshore islands of Quemoy and Matsu against Chinese Communists "with or without the support of friendly powers."

Congress Asked To O. K. 3½ Billion Foreign Aid

AUGUSTA, Ga. (AP)— President Eisenhower today asked Congress for $3,530,000,000 to fight communism around the globe—most of it to meet "the immediate threats to world security and stability now centered in Asia."

In a special message to the lawmakers from his vacation headquarters, the President said "the preponderance" of the total he requested would go for military and economic bolstering of "the vast arc of free Asia." But he did not say just how much is being earmarked for that area, which includes such critical trouble spots as Formosa and Viet Nam.

Uniforms And Shoes

Harold E. Stassen, chief of the Foreign Operations Administration, told a news conference last month that of the overall amount for the fiscal year starting July 1, $2,140,500,000-two-thirds of the total—would be set aside for 15 Asian nations.

The President said today that of the $3,530,000,000 total, $1,717,200,000 is for military assistance and direct forces support—for uniforms and shoes, for instance. He asked for $712,500,000 in economic assistance, and $1,000,300,000 for defense support, "which serves both economic and defense purposes by supplementing the efforts of countries, particularly in Asia, carrying out defensive measures beyond their current financial capacity."

"The immediate threats to world security and stability are now centered in Asia," Eisenhower declared. "The preponderance of the funds requested of the Congress will be used to meet the threat there."

Aggression Threatens

Within the vast arc of free Asia, which extends from the Republic of Korea and Japan to the Middle East, 770 million people, one third of the world's population, reside. Some of them are citizens of newly independent states. Some have been engaged in recent war against the Communists.

All are threatened."

The President said that "because of the continuing threat of aggression and subversion in Asia," a large share of the funds requested for military assistance and related help "is to build and maintain the defensive forces of our allies there." He added:

"This includes the substantial costs of maintaining and improving the defenses of the Nationalist governments of China in Formosa and provides for military equipment and supplies for Korea."

That statement of continuing help for Chiang Kai-shek served to underscore the announcement at Eisenhower's vacation headquarters here Sunday that the Chinese Communists are engaged in an extensive building of Red airpower opposite Formosa.

Governors Take Hand In Strikes

NASHVILLE, Tenn. (AP)—Southern governors demanded Tuesday that unions and management take action by Saturday to end the 38-day-old railroad and telephone strikes now crippling commerce in 14 states.

Six governors and representatives of six others met here and adopted resolutions "insisting upon" arbitration of the Louisville & Nashville railroad dispute, a meeting in the Southern Bell Telephone Co. dispute and an immediate end to both strikes.

Both sides in the telephone dispute promptly accepted the governor's plan for a meeting in Atlanta next Saturday with a committee consisting of Govs. Hugh White of Mississippi, Marvin Griffin of Georgia and Jim Folsom of Alabama.

Officials of the L&N and the striking nonoperating unions did not comment on the governors' resolution immediately. The resolution was announced about two hours after L&N mediation talks, which had deadlocked on terms of arbitration.

Einstein Brain Custody Disputed

PRINCETON, N. J. (AP)—The brain of mathematical marvel Albert Einstein—left to research—remained the center of a jurisdictional dispute today.

Pathologists couldn't decide where or when they would start their work. The mild tug-of-war developed Tuesday between Princeton Hospital and Montefiore Hospital in New York City.

Princeton Hospital said the brain wouldn't be taken out of town. But Montefiore Hospital spokesmen said it expected that the brain would be delivered there for study and eventual dissection and analysis.

The entire incident was a misunderstanding, said Dr. Thomas S. Harvey of the Princeton Hospital staff. He insisted Einstein's brain would remain here.

Couple Admits Orgy Murders

ORLANDO, Fla. (AP)—A man and his wife who told police of multiple murders and sex orgies awaited Tennessee officers today who planned to return them to the scene of their reported crimes.

The couple, 57-year-old Orville L. Warren and his plump, red-haired wife Gladys, accused each other Tuesday of several killings resulting from sex parties near Johnson City, Tenn., where they once lived. They separated in January after he shot her during an argument.

At Jonesboro, Tenn., Sheriff John Deakins said he swore out warrants against them charging murder of Josie Fair, 30, a barmaid missing several years. The couple waived extradition.

Sheriff Dave Starr of Orange County said the Warrens named each other as the slayer of the Fair woman. Details and names were not given in the other reputed slayings, he said.

Tribute To Heustis

LANSING (AP)—The House took time out Tuesday to recognize two men of science, the late Albert Einstein and Dr. Albert E. Heustis, state health commissioner.

The House paid tribute to Einstein for his outstanding work in science and to Dr. Heustis for his "unswerving devotion to the health of the people of Michigan."

TODAY'S CHUCKLE

Now that President Eisenhower has bought a farm near Gettysburg, Pa., will the farm become famous as Eisenhower's Gettysburg address?

Dust Showered Over 4 States

AMARILLO, Tex. (AP)—A soil-damaging dust storm, one of the season's worst in some section of the Southwest, shrouded parts of four states today as April showers hit west central Texas and broad areas to the north.

Dust from one of eastern Colorado's worst dusters of the year hung today over parts of Texas, Oklahoma, Kansas and western Missouri.

In the vicinity of Denver, Colo., where 40-mile winds with gusts up to 69 mph had whipped topsoil 10,000 feet into the air and reduced visibility to zero, skies were clearing.

La Junta, Colo., and Pueblo, Colo., had gusts of 65 mph and winds of 57 mph earlier, earlier. Windows were smashed, trees uprooted and buildings damaged as the dustladen winds lashed Denver.

The Colorado Highway Patrol warned against travel as visibility went almost to zero between Denver and Fort Collins.

Thundershowers continued during the night in parts of Missouri, Illinois, Eastern Iowa and northward across parts of Wisconsin and Minnesota. The wet belt extended eastward into the northern Appalachians. Showers also were general in the Dakotas.

Menominee Firm To Be Liquidated

MENOMINEE (AP)—The Superior Sugar Refining Co., the only beet sugar refinery in the Upper Peninsula, is going to be liquidated.

Creditors and the management of the company agreed Tuesday to go into Menominee County Circuit Court next week to petition for appointment of a receiver.

Personal property of the company was attached last week by the creditors. Claims totaling more than $120,000 were filed.

Earthquakes Damage Greek City Of 51,000

ATHENS, Greece (AP)— Slight earth tremors continued to shake the port city of Volos today after a heavy shock Tuesday night killed one person, injured 49 and damaged 80 per cent of the city's buildings.

The area police chief reported 23 tremors in the past 24 hours. Volos, a city of 51,000, is 100 miles northwest of Athens.

Heavy rains drenched thousands of people spending the night in the streets.

Press reports put the number of buildings demolished at between 200 and 500.

Pledges $10,000

SAGINAW (AP)—Rep. Bentley (R-Mich.) has pledged his $10,000 congressional pay raise for 1956 to a 1½-million-dollar building fund for a new YMCA in Saginaw.

Smog Branded No. 1 Lung Cancer Cause

PASADENA (AP) — Smog is the greatest single cause of lung cancer, says a top research scientist in the field of air pollution and its relation to public health.

"Atmospheric pollution holds the answer to lung cancer more than any other single agent," Dr. Paul Kotin, University of Southern California pathologist, told the National Air Pollution Symposium Tuesday.

His connecting smog with lung cancer climaxes more than four years of experiments with thousands of animals under a U.S. Public Health Service grant.

The scientist said the study showed that smog "has a prolonged accumulative effect" as a tumor inducer.

"We have no concept of the dosage of smog required," he added. "But I feel that the amount encountered during an ordinary siege in many cities may be too much."

His experiments have all been with animals subjected to artificially created smog.

The pollutant which is the irritant causing the cancer, he explained, is at least one type of hydrocarbon in the oxidized state. Hydrocarbons are found in auto exhausts, industrial emissions and in gasoline vapors.

His conclusions will be the basis for new experiments aimed at detecting which hydrocarbon is guilty and what chemical state it is in when it does the damage, he said.

With the exception of cancer, Dr. Kotin said he and his research team found smog had no permanent ill effects on the health of test animals.

READY FOR PROXY BATTLE—Louis Wolfson, above, arrived in Chicago for his attempt to gain control of the Montgomery Ward Company at the annual stockholders meeting this week. Behind Wolfson are baggage trucks piled high with Wolfson-Montgomery Ward Stockholders Committee proxy votes, enough (he hopes) to elect a majority of the board of directors. (NEA Telephoto)

Top U.S. Officials Sent To Investigate Tense Situation In Formosa

WASHINGTON (AP)—The Defense Department announced today that Adm. Arthur W. Radford and Asst. Secretary of State Walter Robertson are flying to Formosa immediately "in view of the tense situation which continues in the area."

The Pentagon statement said the chairman of the Joint Chiefs of Staff and the State Department's Asian expert will consult with officials of the Nationalist government.

The talks will be carried out under the terms of the Mutual Aid Treaty with Formosa.

The first consultation under the treaty was held March 3 when Secretary of State Dulles went to Taipei with Adm. Robert B. Carney, chief of naval operations.

Pentagon aides said that Radford had been scheduled to go to Europe in a few days to take part in a command exercise organized by supreme headquarters of the North Atlantic Treaty Organization NATO powers.

These officials said, however, that the situation in the Far East prompted President Eisenhower and the State Department to cancel Radford's trip to Europe.

Robertson and Radford will stop in Honolulu, where they will confer with Adm. Felix B. Stump, the Navy's Pacific commander in chief, before proceeding to Formosa. They are due in Taipei about noon Sunday, April 24.

Arterial Roads Win In Senate

LANSING (AP) — The arterial highway bloc won a new victory in the Senate Tuesday in a second drive to push a highway expansion program through the Michigan Legislature.

The Senate voted once again to give the state 75 per cent of any new highway funds and to earmark it for a detailed program of four-lane divided trunkline highways, mostly in southern Michigan. The remaining 25 per cent would be split between the cities and counties.

The vote was 16-9 in debate on a bill rushed out of the Senate Highway Committee in an attempt to break a deadlock between the House and Senate over the previous Peltz Bill.

Sen. Creighton R. Coleman (R-Battle Creek), sponsor of the new bill and spokesman of the arterial highway group, led a Republican-Democratic coalition in beating down successive attempts to hold the distribution of new highway money to the present statutory formula—44 per cent to the state, 37 per cent to the counties and 19 per cent to the cities.

It is this formula which the House leaders have stuck for, but Coleman said he "knew" that the House would adopt the Senate's 75 - 25 split of it gets a chance to vote on a bill.

Liquor Sales Up

LANSING (AP)—Michigan liquor sales showed an increase in March over the same month last year but are still under 1954. The State Liquor Commission reported March liquor sales totaled $14,057,117 compared to $12993,951 last year.

Measure Gives 500,000 Boost Of 8.2 Per Cent

WASHINGTON (AP) — The House, apparently in a mood to risk a presidential veto, faced today a second showdown in a month on pay raises for the government's 500,000 postal workers.

President Eisenhower has hinted broadly he will veto any increase larger than about 7.6 per cent. But House backers of a bigger raise on March 21 defeated, 302-120, a bill to provide such an increase when it came to the floor under procedure barring changes.

Vote May Be Close

The same bill came back today, but this time opened to an amendment permitting the house to hike the raise to 8.2 per cent.

The Senate voted a 10 per cent pay raise for the postal pay workers and for approximately a million classified civil service workers.

Rep. Corbett (R-Pa), backing this average 8.2 per cent increase, told newsmen in advance of debate:

"Unless the President makes a flat statement that he's against it, it will pass. Even if the President does make such a statement, it will be nip and tuck."

Unions Expect 10 Per Cent

Republican House Leader Martin of Massachusetts said the President had made it clear earlier that he is for no more than a 7.6 per cent raise "and he's standing by it."

"I'm satisfied the 8.2 per cent increase will be vetoed if it is passed," Martin declared, and added there was "no question" but that the House would sustain a veto.

Whatever action the house takes, the pay legislation will have to go to a Senate-House conference and some compromise worked out. The postal unions are looking to the conference to settle on the Senate's 10 per cent figure, which would cost an estimated 290 million dollars a year. Cost of the 7.6 per cent raise is put at 180 millions.

Legislators Cut Money Requests

LANSING (AP)—The first of next year's money bills filed by the Senate Appropriations Committee showed today legislative fiscal leaders are wielding a sharp pruning knife on agency requests.

The committee introduced appropriation bills for adult corrections and public health. With slight revisions they will be reported out again for Senate action in the next few weeks.

The committee proposed $12,162,681 for the penal system, compared to $12,817,990 allowed this year and the $13,914,561 recommended by Gov. Williams.

It proposed $15,420,938 for public health, compared with this year's $17,223,788 and Williams' recommendation of $16,787,451.

Anticipating a drop in convict population at the State Prison of Southern Michigan, the committee recommended that prison be cut from this year's $6,270,836 to $6,200,087.

For Marquette Branch Prison, the committee recommended reducing this year's grant of $1,590,708 to $1,585,489, allowing two more employes.

For Ionia Reformatory, the committee proposed $1,945,211 compared to this year's $1,817,777, increasing employes by 15.

News Highlights

CAPTAINS NAMED — Cancer Drive leaders here are named. Page 2.

SEVEN RESIGN — New teachers hired for Escanaba Schools. Page 2.

CIRCUIT COURT — Two defendants placed on probation. Page 6.

Name Captains In Cancer Drive

Paul Corcoran, Escanaba chairman of the Cancer Campaign, today announced completion of the city organization by enlisting the services of many volunteer workers who will help raise funds to carry on the fight against cancer.

Arni Maki, special gifts chairman, will make a direct appeal to large business concerns and corporations; Kenton Olson will contact the labor groups; and Claude LeClerc will solicit the chain stores.

Cancer posters have been distributed to all business places by the Girl Scouts of Mrs. N. L. Lindquist troop, and book matches have been placed in restaurants, hotels, taverns and other public places by Jim Hall and Bob Schmidt.

The zone captains, who in turn secure the block workers, are: Mesdames John Christo, Emmett J. Noon, Elmer Klassel, Joseph Nolden, Pat Kennedy, Rene Sabourin, V. J. Long, C. L. Harrison, H. Roy Denio, Harold Frederickson, Robert Losse, Joseph Schleis, Milton Nordin, Ernest LaCrosse, Omar DuPont, Art Kubley, C. J. Moore, Wesley W. Hansen, Phillip Derouin, Henry Pepin, Earl Harris and Melvin Olsson.

In addition there are approximately 250 block workers soliciting every home in the city. There will be no solicitation of employes at their place of business.

Dollars raised in this campaign will support education to provide the public with protecting information, service to suffering patients, and finance research to find the final answer, a project on which a thousand topflight scientists now work in 132 laboratories in 36 states.

Fairbanks School Plans Discussed

School building plans of Fairbanks Township were discussed today at Fayette at a meeting of state, county and Fairbanks school officials.

Attending the meeting from outside the Fairbanks community were A. Willis Wilbur, Lansing, of the school organization and plant division of the Michigan Department of Public Instruction; Hagle Quarnstrom, Delta County school superintendent; and Wallace Benzie, district health department sanitarian.

Special Shoes Help Handicapped Walk

ANN ARBOR, Mich. (AP)-There's a shoemaker's shop at the University of Michigan, but it's a special one—for people who never thought they would walk again.

Expert leather and metal workers fashion shoes with special metal braces that permit polio, cerebral palsy and muscular dystrophy victims to walk.

HOLY NAME SENIOR PLAY—Seniors of Holy Name High School are busily rehearsing for their class play, "Melody Jones", which they present Sunday and Monday, April 24 and 25, at the William Bonifas Auditorium. Cast members, above, left to right, are: Jean LaBranche as Melody Jones, Carol Valind as Mother, Joseph DeMay as Kenneth Carpenter and Richard Gasman as Leon Jones. Director of the production is Mrs. John Root. (Daily Press Photo)

7 In Escanaba Schools Resign

The Escanaba Board of Education last night accepted the resignations of seven teachers, effective at the end of the school year, and approved teacher contracts for four new teachers for the 1955-56 school year.

Teachers who have resigned are Ann L. Baril, third grade, Washington School; Oliver Koski, drafting, Junior High School; Caryl Hulsizer, first grade, Jefferson School; Marian Matthews, second grade, Washington School; Doris Swanson, home economics, Junior High School; Ruth Hebbard, Junior High School; Barbara Beers, second grade, Webster School.

New teachers who have been hired are Patricia Erickson, Central Michigan College, 2½ years teaching experience at Whitemore Lake, Mancelona and Traverse City, second grade teacher; Kai Erickson, Central Michigan College, U. of M., one year's experience, Menominee, sixth grade teacher; Emmett Norden, NMCE and U. of M., two years experience, Perkins, sixth grade teacher; Zita Salemi, NMCE, third grade teacher.

New Contracts

The board last night approved a three year contract renewal for Supt. John A. Lemmer at a salary of $9,000 and a two year contract renewal for Asst. Supt. George Ruwitch at a salary of $7,000. Both contracts provide for creases of $500 per year.

Other actions taken by the board last night follow:

Approved the renting of a lot next to the Carnegie Library to the Root Motor Co. at a rental of $25 per month, providing the use as a parking lot conforms to city zoning regulations.

Authorized placing married women teachers with bachelor's degree on the regular salary schedule but limited salary increases for 1955-56 to $300.

Referred to Principal E. E. Edick a request of Holy Name High School for the use of the track at the Escanaba Athletic Field on a schedule that would not interfere with the Escanaba High School track program.

Accreditation by U-M

Received notification from the University of Michigan that the Escanaba High School is being continued on the approved list for a three-year period. Four-year accreditation will become effective after Sept. 1.

Authorized the payment of $25 to the Pittsfield Board of Education towards legal expense in the state valuation case.

Received letter of appreciation from the League of Women Voters for cooperation received from the Adult Education program.

Referred to the Citizens Council for the Public Schools a proposal that Escanaba participate in the development of an expanded Children's Center program in this area.

Referred to Prin. E. E. Edick a request of the Senior Class of the EHS for permission to conduct a Senior Ball on April 29.

Appointed C. Gust Peterson as the school representative on the county tax allocation board.

Requested the city clerk to spread $24,307.50 on the tax rolls for Junior High School bond redemption and $35,000 for the Lemmer School.

Approved the participation of the Escanaba Schools in the 13th annual Clothing Crusade sponsored by the Save the Children Federation.

Siren Alarms To Sound For Alert

Civilians in Gladstone and Escanaba are asked not to become alarmed when the two cities sound warning sirens for the National Guard Test Alert.

It will be a warning for all Guardsmen to report to their stations at once for "Operation Minuteman," which is expected shortly. This nationwide test alert is to try the speed of mobilization of the entire guard personnel in case of attack, diaster, or civil strife.

Briefly Told

Delta Lodge — Regular monthly meeting of Delta Lodge No. 195, F. & A. M., will be held Thursday, April 21, at 7:30 p. m., at the Masonic Temple. A cordial invitation is extended to visiting Masons.

Observer Corps — An instruction meeting for members of the Escanaba Ground Observer Corps will be held at 7:30 tonight in City Hall. The instructors will be Sgt. Donald Peterson and 1st Lt. Robert Hudgins of the filter center at Green Bay.

Civil Air Patrol—The regular monthly meeting of Delta County Squadron, Civil Air Patrol, will be held Thursday, April 21, at 8 p. m. at the headquarters, City Steam Plant building, 711 1st. Ave. N. All members are asked to be present.

Taken To Hospital—Carl Richter of 122 S. 18th St., who became ill with a heart ailment while walking last evening on Ludington St. in the 1200 block and fell to the sidewalk, is now receiving treatment at St. Francis Hospital, where he was taken by ambulance.

Motorists Ticketed — Escanaba police have issued traffic violation tickets to the following motorists: Glen Ahlin, Escanaba Rte 1. failure to stop in the assured clear distance ahead; Lawrence Johnson, 619 N.16th Stt., defective head light; and William McKinley Parker Jr., 1315 1st Ave. S., disobeying stop sign.

Boatsmanship Class — Boatsmanship classes of the Escanaba Yacht Club will meet at 8 tonight in the Yacht Clubhouse. John Hebert will conduct the junior class in the absence of Russell E. Johnson and a talk on the work of the Coast Guard, on rules of the road and aids to navigation will be given by Chief Harvey Ellsworth, officer in charge of the Coast Guard lighthouse station.

Hospital

George Harvey Sr., 635 Odgen, who entered St. Francis Hospital Sunday and is receiving treatment for pneumonia, is now much improved but he is not yet permitted to receive visitors.

Rainbow Natural Bridge in Utah arches across a 278-foot span at a height of 309 feet and could straddle the U.S. Capital.

Teachers Engaged At Hermansville

HERMANSVILLE—Supt. Arne B. Johnson of the Meyer Township Schools announces the following teachers have signed their contracts for the school year 1955-56: Mrs. Helen Daniels, Mrs. Maude Taylor, Mrs. Mildred Marcoe, Mrs. Jean Hanson, Mrs. Frances Lombard, Lawrence Smith, John Kuhnhenn, Don Hill and William Jacka. Mrs. Sarah D. Hiller and Miss Jane Embrey were granted extensions of time in which to sign their contracts. Russell J. Campbell resigned to accept another position and Mrs. Donna Pollard will not teach during the coming school year.

Salk Vaccine

All pupils in the first and second grades will receive their first Salk polio shots at Powers Thursday afternoon. Parental consent is necessary in every case. The second shot will be given one week later.

Radar waves of a type which cannot be used to track down planes have been found useful in tracking smog by a Los Angeles scientist.

Council To Get Budget Request

The proposed city budget, as prepared by City Manager A. V. Aronson and his staff, will be submitted to the City Council Thursday night for its consideration. The tentative budget represents the administration's request for appropriations to cover operations in the coming fiscal year 1955-56, beginning July 1.

The City Council will consider the budget in special meetings to be held soon at the convenience of the Councilmen and a public hearing on the proposed budget will be held on May 19. Copies of the tentative budget will be ready for ublic distribution at least five days in advance of the hearing.

In other business, the Council in Thursday night will:

Open bids on steel pipe, street lighting equipment and material, petroleum for making propane gas for a 12-month period, asphalt and road oil, and for the sale of nine residential lots.

Public hearing will be held on the following improvements: Water main and sanitary sewer extensions in the Goulais Addition, and a water main extension in the Sylvan Point area; second reading of the building code ordinance; and a report on Club 314 operations.

The Council will consider a request from the Delta Shriners' Club for the showing of the Shriners Circus in Escanaba; a recommendation from the Planning Commission relating to the Escanaba Yacht Clubhouse enlargement will be received; at letter from the Delta County Historical Society is to reach the Council; and first reading will be given ordinances amending precised plats.

Einar Stendahl Dies At Hospital

Einar Stendahl, 64, of 1409 N. 22nd St., died at 10:15 a. m. yesterday at St. Francis Hospital.

Born Jan. 4, 1891 at Trondheim, Norway, Mr. Stendahl had been an Escanaba resident for 30 years. He came to this city from Metropolitan, Mich. Mr. Stendahl was a member of the Immanuel Lutheran Church.

Surviving are his wife, Anna; one daughter, Mrs. Clarence (Lillian) Stoneclift, Escanaba; one son, Gilbert, Escanaba; his mother and three brothers and sisters in Norway, and six grandchildren.

Friends may begin calling at the Anderson Funeral Home Thursday afternoon.

Funeral services will be held Friday at 2 p. m. at the Anderson Funeral Home chapel with Rev. Johannes Ringstad of the Immanuel Lutheran Church officiating. Burial will be made in Lakeview Cemetery.

Value Of Michigan Taxable Utilities Set At $571,426,900

LANSING (AP)—The State Board of Assessors has tentatively placed the 1955 tax valuations of Michigan public utilities at $571,426,900. The figure is an increase of $34,347,900 over last year's final assessments, the board said. Based on the tentative assessed valuation, the utilities would pay state axes of $16,956,678, or $1,821,339 more than last year.

CHICAGO BOUND—Daily Press newsboys are pictured here on the C&NW train last night at the Escanaba depot. The boys, winners in a recent subscription contest, are spending two days in Chicago. They will return Friday morning. Accompanying the Escanaba boys is Duncan Cameron, circulation manager. (Daily Press Photo)

THOSE IN UNIFORM

Pvt. Wesley Wellman, son of Mr. and Mrs. Jesse Wellman, South Ford River, who is spending a 14 day leave at the home of his parents, was guest of honor at a farewell party Sunday evening. Pvt. Wellman will soon return to Ft. Leonard Wood, Mo.

PFC Edward A. Bunno, son of Mr. and Mrs. Lawrence Bunno, Brampton, Mich., recently participated in unit redesignation ceremonies in Germany. Pfc Bunno is assigned to the 70th Field Artillery Battalion, which replaced the deactivated 979th Field Artillery Battalion. He entered the Army in August 1953 and completed basic training at Camp Chaffee, Ark. Bunno is a 1952 graduate of Gladstone Public High School.

PFC Leonard Johnson, son of Mrs. Bertha Johnson, Stonington, Mich., recently participated in unit redesignation ceremonies in Germany. Pfc Johnson is assigned to the 70th Field Artillery Battalion, which replaced the deactivated 979th Field Artillery Battalion. He entered the Army in March 1953 and completed basic training at Camp Breckenridge, Ky. Johnson is a 1952 graduate of Rapid River High School.

Obituary

MRS. PEARL KANGAS

Funeral services for Mrs. Pearl Kangas, who was instantly killed Sunday morning when struck by a car, were held Tuesday at 2 p. m. at the Anderson Funeral Home chapel with Rev. Johannes Ringstad of the Immanuel Lutheran Church officiating. Burial was made in Gardens of Rest Cemetery.

During the services, C. Arthur Anderson sang two numbers, "Ivory Palaces" and "Crossing the Bar" with Mrs. Clovis Colvin as accompanist.

Pallbearers were Soloman Kangas, Kenneth Maki, Raymond Lehto, Leslie Maki, Frank Maki and Joseph Polvi.

Out-of-town persons attending the services were Mr. and Mrs. Thomas Ketola, Ironwood; Miss Marlene Lehto, Elkhart, Ind., and Mr. and Mrs. Vilho Lehto, Mrs. Hilmer Lehto, Mr. and Mrs. Raymond Lehto, Mr. and Mrs. Soloman Kangas, Mr. and Mrs. Kenneth Maki, Mr. and Mrs. Leslie Maki and Mrs. Henry Jakkala, all of Rock.

Only missionaries and 60 Wai Wai Indians inhabit southernmost British Guiana. These few people live in four villages close to Essequibo, travel by water, and seldom penetrate the jungle except to hunt, says the National Geographic Society.

PSC Conducts Hearings Here

Truckers and haulers from Upper Peninsula communities, many applying for extension of operation, are appearing before W. L. King, acting secretary of the Michigan Public Service Commission, in hearings opening today in City Hall.

Hearings will continue through Friday, but decisions on the applications will not be announced by the PSC until later, following a study of the record by the Commission. The applicants listed to appear are as follows:

On Thursday—Clairmont Transfer Company, Escanaba, for authority to extend routes to the K. I. Sawyer airport at Sands; Guindon Trucking, Escanaba, extension of operations intra-state; Joseph Richer, Bark River, cheese and supplies between Bark River and Escanaba; Rene Maskart, Gladstone, building materials and wood products between various points in the Upper Peninsula.

William A. Taylor, Pickford, common carrier of freight; Charles LaFave and Maurice Gauthier, Wilson, transportation of a variety of products and commodities intrastate; Manley Propst, Grand Marais, fish from Grand Marais to Seney; Wayne F. Pelto, Ironwood, rehearing on common carrier application.

Friday — Edward Wender, Iron Mountain, building materials; Roy Harvey, Vulcan, livestock; Ernest F. Boden, Marquette, passengers between Marquette and Negaunee; James M. Cumming, Neebish, passengers and miscellaneous; Blackstone Taxi Co., Marquette, passengers outside the city limits; Miller Transfer, Pickford, extension of common carrier operations.

Today were heard the following: McMahon Brothers, Iron River, pulp, logs and gravel; Clifford Hilberg, Iron River, logs and pulpwood; Walter Chaput, Kingsford, John Bazilli, Iron Mountain, Homer and Albert Baillargeon of Lake Linden, and Niilo and George Pantti of Rockland, common carriers restricted intrastate; Raymond Ackerman, Iron Mountain, extension of operations; and Noble Graham, Brimley, lumber, logs and gravel.

Also before the Commission today as applicants was a group of Wisconsin truckers, seeking common restricted intrastate permits.

WILBUR

U. P. Book Exhibit Will Be Held In Escanaba Monday

The Michigan State Library, in cooperation with the Escanaba Public Schools and the Escanaba Carnegie Public Library will hold its spring book exhibit on Monday, April 25, at Escanaba Junior High School gymnasium between the hours of 1-5:30 p. m.

The exhibit, consisting of approximately 1,300 new and forthcoming books has been arranged to allow public and school librarians, superintendents, teachers, school officials and parents an opportunity to examine books prior to purchasing them, according to Sam Molod, State Library consultant in the Upper Peninsula.

The exhibit, broken down by age levels and interest levels, will consist of books suitable for children from pre-school age through high school and will also contain adult books suitable for teen agers as well as an exhibit of adult books. In the subject fields there will be books on art, Indians, sports, famous people, adventure, animal and science themes.

Consultants from the Michigan State Library and the Carnegie Public Library will be available at the exhibit for consultation concerning book selection. The public is invited to visit the exhibit, Molod announced.

Lions Governor Of District Ten To Crown Queen

GARDEN—District Ten Lions Governor, C. E. Richards of Watersmeet, will be at Garden Sunday, April 24, to crown the queen of the Garden Peninsula Lions' Smelt Jamboree. He will also preside at a zone dinner meeting.

Mr. Richards, Superintendent of Schools at Watersmeet, was elected to the governorship of District Ten at the 1954 Lion convention held in Escanaba last June. He is making his first official visit to the Garden area.

Economics Club

The Kates Bay Home Economcis club met at the home of Mrs. Bernard Grenier recently At the close of the business meeting, lunch was served by the hostess.

The next meeting will be held at the home of Mrs. Orill LaBute April 28.

Briefs

Mrs. Ralph Thibault and infant daughter, Mary Rose, have returned to their home from St. Francis Hospital, Escanaba.

Pupils of the first and second grades were taken by bus Tuesday morning to Rapid River where they were inoculated with the Salk vaccine.

Trenary

TRENARY—Mr. and Mrs. Walfred Koukkari of Ishpeming visited her mother Mrs. Maria Lehtikangas over the weekend.

Mr. and Mrs. Clarence Flynn, Mr. and Mrs. Wilho Laurila, and Mr. and Mrs. John Rama attended the wedding of Irene Karasti to Lawrence Malnor at the Bethany Lutheran Church in Escanaba Saturday evening.

Mr. and Mrs. William Weber and Mr. and Mrs. Albert Cauchon motored to Marquette Sunday where they visited Mrs. Weber's sister and brother-in-law, Mr. and Mrs. Lloyd Rose.

Scientists believe that the first villages were set up in what is now Iraq about 7,000 years ago.

Editorials—

Conference On Education Helps To Focus Attention On Schools

TOMORROW more than 300 persons interested in education from six counties of the central Upper Peninsula will convene at Northern Michigan College, Marquette, to consider the problems of the public schools and to seek ways and means of solving those problems.

This is one of many such groups meeting all over the United States this spring—there are two others in the Upper Peninsula of Michigan and 11 in the Lower Peninsula. All of the delegates at these conferences are interested in the same problems—shortages of school facilities, shortage of teachers, better educational programs.

The suggestions and recommendations being made at all of these conferences and the state conferences that will follow will reach Washington in November when President Eisenhower's White House Conference on Education convenes.

More than 50 of the delegates at the regional conference will be from Delta County. They represent the Parent-Teacher organizations, the service clubs, the labor unions. They are, in fact, a cross section of the community life, all with a single purpose—better education for their children.

Because this is a grass roots conference—the emphasis is on the layman's view—the problems of the schools are reaching the attentive ears of a large number of persons. This is, of course, essential to any satisfactory solution of these problems because the solution must necessarily be attained by means of public willingness to foot the increased costs.

This is a tremendous program of public education on one of the most pressing domestic problems of our times. The skyrocketing school population has caught the nation unprepared in school facilities and in school staffs. The number of teachers being produced is woefully inadequate to meet the needs. These are problems that must be solved soon or the nation's educational system will suffer seriously. The real loser, of course, will be the American people and the nation itself because a broad education system is necessary for the maximum strength of our democracy.

All Cartels Are Bad

A staff group working for a body called the Economic Commission for Europe has produced a paper attacking the American oil companies which are operating in the Middle East. All kinds of charges are made concerning prices and profits and other important matters. The solution proposed is the establishment of government cartels.

One of the American Oil companies* which pioneered Middle East development has refuted, with actual facts, these claims. In addition it observes: "When one considers the recent accomplishment of these companies which, at the request of their respective governments, reached an agreement with Iran that thwarted a possible communist coup, and when one considers also the contributions these companies make to the economic and military strength of the free world, one is perhaps justified in questioning either the motives or the wisdom of the paper's authors." On the question of cartels, it says: "A government cartel is no better, and may indeed be worse, than a private cartel. We are opposed to both. Our long business experience, both at home and abroad, convinces us that, given equal opportunity, a competitive business can do better for consumers than a cartelized business any time."

This is an accurate reflection of the attitude of the American oil industry—including both the companies which have overseas interests and those which confine their operations to this country. And it is the attitude which has brought almost unbelievable progress in oil development, here and abroad alike.

Words, Wit & Wisdom

By William Morris

Today's vocabulary test is based upon ten words which will prove valuable additions to your vocabulary. After each numbered word you will find a word of almost the same meaning among the three words and phrases following it. When you have all the answers, check against the correct pairings at the bottom. Here is how we score the quiz: ten correct, excellent; eight or nine, superior; six or seven, fair.

1. Pachyderm: (a) massive thick-skinned animal; (b) circus fat lady; (c) skin disease.
2. Monolith: (a) one-color print; (b) long speech by one speaker; (c) massive single sculpture.
3. Laird: (a) animal's hiding place; (b) Scottish landowner; (c) placed.
4. Lacuna: (a) gap; (b) moon phase; (c) concise.
5. Implosion: (a) loud noise; (b) inward bursting; (c) that which is implied.
6. Lachrymose: (a) festooned with lace; (b) tearful; (c) bovine.
7. Exculpate: (a) free from blame; (b) put to death; (c) issue legal writ.
8. Dotard: a) vessel for beer; (b) doddering oldster; (c) doting father.
9. Cereus: (a) cherry red; (b) chemical element; (c) night-blooming cactus.
10. Capricious: (a) flighty; (b) musically inclined; (c) from Isle of Capri.

ANSWERS (with pronunciations): 1a (PAK-ih-derm); 2c (MON-uh-lith); 3b (LAIRD); 4a (luh-KYOO-nuh); 5b (im-PLOH-shun); 6b (LAK-rih-mohs); 7a (EX-kul-payt); 8b (DOH-terd); 9c (SEER-ee-us); 10a (kuh-PRISH-us).

* * *

How large is your vocabulary? How many thousands of words can you use with confidence? For the answers to these questions, just send a self-addressed stamped envelope to William Morris in care of this newspaper for a free copy of his new self-scoring vocabulary test. It will show you how many words you know now and how to increase your word power almost immediately.

Try And Stop Me

By BENNETT CERF

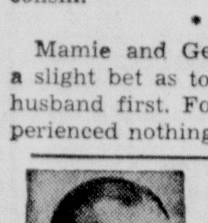
A man from Milwaukee, high among the Alps in Switzerland, decided to try some of the famous Swiss cheese in its native habitat. The waiter at the inn he was patronizing didn't understand much English, but the Milwaukee gent put on an elaborate pantomime, explaining precisely the kind of cheese he wanted—holes and all.

"Ach, ja!" beamed the waiter finally, and hurrying off to the kitchen, came back with a slab of rich, succulent cheese that made the Milwaukee citizen gurgle with delight.

"Ja, ja," agreed the waiter. "Iss very special, this cheese. Iss what you call eemport. We get him all the way from Wisconsin!"

* * *

Mamie and Gert, identical twins, made a slight bet as to which one would snag a husband first. For a full year, Mamie experienced nothing but setbacks, and finally phoned to inquire how Gert was progressing. "I think I've got the best sewed up," reported Gert happily. "I'm on my last lap right now."



The Doctor Says . . .

Congestive Heart Failure Is Result of Many Causes

By EDWIN P. JORDAN, M. D. — Written for NEA Service

"So much is said about coronary thrombosis and hardening of the arteries," writes Mrs. L., "but no one ever writes about congestive heart failure. I should like to know more about this."

Congestive heart failure is applied to a condition in which the heart fails to pump enough blood fast enough through the system. The first sign of this failure on the part of the heart is usually shortness of breath following exertion or exercise which formerly did not cause such heavy breathing. If the heart condition gets worse, it is followed by accumulation of some fluid in the lungs, often accompanied by cough and by the appearance of dropsical fluid or edema, usually in the feet and ankles, and sometimes in other parts of the body.

CONGESTIVE HEART failure is not itself a particular kind of heart disease. It can result, in fact, from any serious disease which attacks the heart, such as rheumatic fever, coronary thrombosis, or congenital heart disease. This does not mean to say that all of those afflicted with heart disease eventually develop congestive heart failure because many do not.

What happens in congestive heart failure is quite complicated. It is now believed that the trouble is perhaps not only in the pumping action of the heart itself, but also in the gradual increase in back pressure of the blood against the heart so that the heart has to work harder. Furthermore, it is associated with some lessening of the filtering power of the kidneys, increase in the amount of sodium in the blood, and increase in the amount of blood in the system. Also, of course, more water is kept in the system than should be, largely as a result of the failure of the kidneys to excrete as much water and sodium as they normally should.

THE TREATMENT OF congestive heart failure must therefore be conducted along several lines. It is desirable to know what kind of heart disease was originally responsible. It is also important to find out the degree of congestive heart failure, that is, how serious the heart failure may be. From here on the physician often employs methods aimed at increasing the pumping power of the heart, at lessening the back pressure against the heart and at increasing the elimination of water and sodium through the kidneys.

MANY METHODS ARE used to accomplish these results, and while congestive heart failure must always be looked on as a serious condition, physicians are frequently able to do much for sufferers from this condition and thus prolong life and add greatly to the patient's comfort.

Today In Washington

By DAVID LAWRENCE

WASHINGTON—What is the source of the great popularity of President Eisenhwer in America today? Is it just his personality—an affable, congenial attitude toward everybody?

Personal characteristics would hardly explain it. There is something deeper and far more significant in the political popularity of the President. It is the unbounded trust and confidence that the American people have in his devotion to the idea of keeping American boys out of war.

Despite the fact that Mr. Eisenhower has spent the greater part of his life in military service, and contrary to the oft-expressed but erroneous idea that all military men are eager to get into a war, there is something so inherently pacific about Mr. Eisenhower's attitude toward an avoidance of war that he has already run into the criticism that he is willing to maintain peace at any price.

No bigger mistake could be made by the Communists than to imagine they could harass the American government and pursue their pressure tactics in the "cold war" on the assumption that there never will be any retaliatory measures. Precisely because Mr. Eisenhower has the confidence of the people that he will not engage in war unless American interests are directly attacked, there is likely to be a unanimous sentiment for prosecuting a war as vigorously as possible if the United States should unfortunately be forced into a conflict of arms.

PUBLIC CONFIDENCE

History might repeat itself in this respect. For President Wilson was a man of peace, and all through the campaign of 1916, though he himself never made the comment, his followers boasted with an innocent pride that he had "kept us out of war." Only a few months later, when the militarists in Berlin decided on unrestricted submarine warfare and began sinking American ships despite their previous promises not to do so, the people of the United States rose to a man as all political leaders gave unstinted support to the resolution whereby America entered World War I.

The confidence of the electorate at the moment in Mr. Eisenhower's unremitting effort to avoid a war is so strong that, if he were a candidate for re-election and the votes were cast today, he would have almost as big an electoral vote as he had in 1952. The disaffection of the South for purely local reasons might cut the popular total down, but in the Northern states the vote would be overwhelming.

This is not to say here is no disaffection in the north. For the truth is inside the Republican party there is dissension, and it could mean a loss of votes. But today such disaffection can be regarded as negligible in political quantities because the peace-or-war issue is so penetrating that it cuts into both political parties.

NOBODY WANTS WAR

The question of war or peace enters nearly every home. For the military draft of those 18 years of age or older is one thing in time of peace and quite another when the bullets begin to fly. Also, there isn't a business man who would want to see a war for any selfish reason. Excess-profits taxes are immediately imposed. Controls are fixed and the supply of materials for manufacturing purposes is restricted. War means a convulsion in the economic life of the country and only the irresponsible radicals cry out that "munitions makers" make war or that capitalism needs a war to sustain itself.

The peace sentiment in America is as strong today as, if not stronger than, it has ever been, and exactly because a man with military experience and knowledge of war is at the helm the people have an abiding faith that their chief executive will do all in his power to avert it. Charges that there is a "war party" in America have a hollow sound. There are those like Senator Knowland, Republican leader, who fear that weakness and vacillation on our part at critical moments may lead to a miscalculation by the enemy and bring on a war that cannot be averted. But those who demand firmness contribute as much, if not more, to the maintenance of an equilibrium in international policy that can mean peace as those who constantly insist America must retreat so as not to offend either her allies or her enemies.

Public discussion by legislators and others cannot provoke a war. The world has learned to discount talk on both sides of the iron curtain. Both World War I and World War II came about because the aggressor thought the free world wouldn't fight or that a Pacific-minded people would never approve of war. To prevent World War III, the policies of the President today are carefully balanced to avoid either extreme—the bluster that calls for the use of military force before it is necessary or the pacifism that is willing to take peace at any price.

Will A-Bomb Ruin Canned Goods? Results Of Test Blast May Tell

By KENNETH O. GILMORE
NEA Staff Correspondent

WASHINGTON —(NEA)— As far as the American housewife is concerned, the major atomic test to take place soon on the Nevada desert should be labeled, "Operation Canned Blueberries."

For this final open shot, scheduled for the last week in April, will help to determine what canned goods she and her family can safely eat in the event of atomic devastation.

The big questions are: How great an atom force will it take to tear open or break glass and tin containers placed at various ranges? And will the radiation effects from the blast spoil or poison the food contents?

To help come up with these and other answers, the National Canners Association is supplying 25,000 samples of 60 canned food items which will play an important role in the civil defense phase of the atom explosion.

* * *

"The canning industry looks upon this project as a constructive opportunity to contribute to the national defense," says George B. Morrill, Jr., President of the N.C.A.

From sauerkraut to shrimp, roughly one railroad car full of canned fruits, vegetables, juices, fish and shell fish, meats, poultry and even baby foods will be close at hand when the zero hour arrives.

It will be a harsh test, but N.C.A. officials are confident their products will do well. They say laboratory findings show the protective value of canned foods under conditions of atomic, biological and chemical warfare.

But an actual explosion will provide information that is not possible to establish under laboratory conditions. This is the first time commercial products have been put to such a test. The Atomic Energy Commission and the Federal Civil Defense Administration are both cooperating on the experiment.

* * *

All of the glass and tin containers are coded so spoilage, fall-out effects and the nutritive value of the food can be accurately measured. Special slat - racks have been built to hold samples in single rows so no container shields another.

Canning industry representatives and civil defense officials will be particularly interested to study the effects on canned foods that are heavily exposed to radiation and close to the blast wave. They realize numerous warehouses located in urban areas are likely to be badly shattered by an atom bomb.

"We want to know whether this food becomes radioactive and is so how long it persists," says C. A. Greenleaf, associate director of the N.C.A. laboratory, who will be working at the site. "Homeless and hungry people will need these canned goods as rations in an emergency. It is necessary to know if they are safe to handle and eat."

The Food and Drug Administration will undertake long range animal feeding tests to determine whether foods have picked up harmful or poisonous characterictics. Monkeys will be fed for 90 days, rats for six months, and dogs for two years.

* * *

In addition to canned items, other types of foods will be tested by the Department of Agriculture and the National Association of Frozen Food Packers.

On the desert location canned goods will be situated at roughly three distances from the center of the shot. At the nearest point they will be dug in and protected by some kind of shielding or bunker.

Next will be an intermediate range corresponding to a considerably damaged residential area. Here cans and jars will be put on shelves and stored in experimental homes and buildings.

The third distance will be far enough away to prevent major damage to structures. Experts of the National Canners Association say canned goods are perfectly safe to use at this range.

CANNERY TECHNICIANS J. M. Reed (left) codes cans while E. R. McConnell tests for vacuum on batch of canned food that will be subject to atomic blast to see how well they survive.

The War 10 Years Ago

APRIL 17 TO MAY 1, 1945

On May 1, the Hamburg radio announced Adolph Hitler had died at his post in the Reichschancellery in Berlin and Grand Admiral Karl Doenitz proclaimed himself the new fuehrer. Subsequent developments indicated Hitler had committed suicide. A few days earlier Benito Mussolini had been captured by Italian partisans and executed April 28. These were the military events leading up to Hitler's death: On April 18 the U. S. 3rd Army, racing through Germany, crossed the Czechosolovak border. The next day the U.S. 1st seized Leipsiz and Halle. The U.S. 7th captured Nuernberg on Hitler's 56th birthday April 20. German broadcasts said on April 21 Red army tanks had broken into Berlin streets. On April 22, U.S. 7th columns crossed the Danube River at Dillingen, the same day the French 1st took Stuttgart and Freiburg. The 1st White Russian captured Frankfurt-on-Oder April 23 and the next day the 1st Ukrainian and 1st White Russian joined inside Berlin. April 26 U.S. 1st and 1st Ukrainian forces joined at Torgau on the Elbe River, thus splitting the Reich in two. The same day the British 2nd occupied Bremen and Gen. Eisenhower ordered the U.S. 9th to halt at the Elbe and await junction with the Red army. The U.S. 7th swept across Bavaria and captured Munich in Austria May 1, the same day Braunau, Hitler's birthplace, was reached by the U.S. 3rd. In Italy Allied troops racing northward captured Bologna April 21, Modena and Ferrara April 24, Verona and Parma April 26, Genoa April 27, Milan and Padua April 28. On April 30 Gen. Mark Clark announced "virtual elimination" of German armies in Italy. The next day Clark's forces joined Marshal Tito's Yugoslav armies northwest of Trieste. In the Pacific U.S. forces captured Balabac Isle, 45 miles north of Borneo, April 18. The next day U.S. forces launched a big offensive into southern Okinawa, capturing Machinato airfield 10 days later. April 27 Baguio, summer capital of the Philippines, was taken by U.S. divisions. May 1 Tarakan Island off Borneo was invaded by Australian troops.

So They Say

Teachers in many places are nothing more than baby sitters.—S. M. Brownell, U. S. commissioner of education.

* * *

General MacArthur stated emphatically that American forces should not invade Japan until three months after the Red army attacked in Manchuria.— Louis Morton, Army historian.

* * *

We have reached a point where Asia where we can't yield without losing the whole thing.—Rep. Walter H. Judd (R., Minn.).

* * *

No fair-minded student of events will deny that the m ss we are in now stems entirely from the destruction of the League of Nations.—James M. Cox, Ohio newspaper publisher.

Edson In Washington

By PETER EDSON
(NEA Washington Correspondent)

WASHINGTON—(NEA)—Much to their surprise, two high-powered national survey outfits have discovered that the American people aren't very worried about the threat of communism on the one hand, or the loss of their civil liberties to reactionary forces fighting communism, on the other hand.

Less than 1 per cent of the people interviewed in these twin public opinion polls said they were worried about communism.

Less than one half of 1 per cent said they were worried about losing their civil liberties.

Only 8 per cent of people interviewed said they were concerned about the international situation or war.

* * *

WHEN THE INTERVIEWERS followed this up with a leading question like: "What do you think about world affairs—are you concerned about them?"—20 per cent said they guessed they were, but that's all.

These somewhat astonishing results were based on 6500 interviews made by 500 Gallup and University of Chicago investigators all over the country last May, June and July.

The Army-McCarthy hearings were going on in Washington at this time. Most Americans sat magnetized in front of their television sets. It would be natural to expect that people would be more concerned about communism and civil liberties then than at any other time in their lives. But they weren't.

This survey was made for the Fund for the Republic, a Ford Foundation-endowed research group. Its head was originally Clifford P. Case, now Republican senator from New Jersey. Present head is Robert M. Hutchins, former president of Chicago University and Ford Foundation.

* * *

THE RESULTS OF THE SURVEY will be published in book form this month under the title of, "Communism, Conformity and Civil Liberties." The text was written by Dr. Samuel A. Stouffer, professor of sociology at Harvard.

The purpose of this survey was simply to learn the truth about American attitudes on these controversial subjects. The fund's directors feared that American freedoms were being endangered by a wave of reaction that was near to fascism. But it wanted to get the facts. What it will do about the facts now that it has them is the next question.

One point of view is that since less than 1 per cent of the American people are concerned about communism and civil liberties, there's nothing to bother about.

The other point of view is that since the American people are so little worried about these things, there is need of a great educational campaign to awaken them to the dangers of the international situation and loss of freedom.

* * *

BUT WHAT IS PERHAPS even more interesting than this is the discovery by the opinion surveyors of what the American people really are worried about.

What the Fund for the Republic's opinion survey found as a kind of by-product it never intended to discover is human nature. People are most interested in the things that touch them personally. They are concerned over the prospect of war primarily by whether a son, a husband or a father or brother will have to be drafted.

There is one chapter in "Communism, Conformity and Civil Liberties' which reports on the subjects the American people were most worried about last summer. Forty-three percent of all the people interviewed volunteered the information that they were most worried about personal business or family economic problems. Twenty-four per cent were worried about health. Here, in condensed form, are typical answers:

"How to make a living for my family . . . The weather and my crops . . . Security . . . The mortgage . . . The baby . . . Paying bills . . . My job . . . My health . . . I worry about my pension . . . I've been laid off three months . . . My marriage . . . My children's future."

If this is a correct gauge, there is a lot more political mileage in social security, employment insurance, pension plans, health plans, housing and such things than in the much discussed international situation.

BARBS

The income tax finally got through another birthday, but without many happy returns.

"Keep Off the Grass" signs son will be telling us which parks belong to the public.

April 4 Ballot Totals Tabulated

LANSING (AP) — The State Elections Division reported Monday the combination of official and unofficial canvasses of Michigan's 83 counties confirmed the results of the newspaper tabulation of the April 4 spring election.

The total showed that Dr. Clair L. Taylor, Republican state superintendent of public instruction, defeated Lynn M. Bartlett, Democrat of Grosse Pointe by 3,104 votes.

It also showed that Stephen S. Nesbet of Fremont, Republican member of the State Board of Education, defeated Democrat John M. Veale of St. Clair Shores by 1,730 votes.

The tabulation showed that Dr. Connor D. Smith of Standish, Democratic member of the State Board of Agriculture, defeated Dale Stafford, Republican from Greenville, by 2,036 votes.

It confirmed the election of William E. Baker, Democrat of Mesick, to the other board of agricultural post over the incumbent Republican, Sarah Van Hoosen Jones of Rochester and the election of Paul L. Adams of Sault Ste. Marie and Eugene B. Power of Ann Arbor, both Democrats to the Board of Regents of the University of Michigan.

Garden

Smelt Jamboree Plans

GARDEN—Final plans for the order of events at the Lions Smelt Jamboree to be held April 24 at Garden were completed at a business meeting attended by Zone Chairman John Raffay of Manistique.

A zone meeting dinner will be held in connection with the Jamboree enabling C. E. Richard, Lion governor, to meet with four clubs, Garden, Manistique, Cooks and Germfask-Seney, at one time.

Discussion on the possibility of a zone teen-age baseball league this summer also was held.

Briefs

The regular meeting of the Garden PTA will be held at the Catherine Bonifas School tonight (Tuesday) at 8.

James and Allen Dotsch of Alpena visited relatives during the weekend.

Mr. and Mrs. Roy Hevala and children spent the weekend with relatives in Wakefield.

The man who profits from his own mistakes always has a prosperous business.

It is natural to assume that any man who would hook a fish would lie about it.

DRESSING FOR A TRIBUTE—A pair of Hollywood beauties—Rhonda Fleming, left, and Terry Moore—try on their costumes for a tribute in New York to Damon Runyon. Guests at the party came as their Runyon characters, and these two came as the "Dolls," letting the "Guys" form a line.

Rock

Banquet Committees

ROCK — The Central League basketball banquet at Rock High School was prepared by mothers of the PTA, Mrs. George Vandenbusche, Mrs. Roy Jacks, Mrs. Sulo Ruotsala and Mrs. John Jokela. Mrs. Vic Mankiewicz also worked in the kitchen.

The home economics girls decorated the tables under the supervision of home economics teacher, Mrs. Edna Braamse. Miss Nancy Martonen and Mrs. Arnold Sayen were in charge of the following high school girls who served: Patsy Vandenbusche, Diane Jacks, Linnea Johnson, Verna Vercoe, Jeannine Horgan, Beverly Lehto, Martina Sinnaeve, Helen Hallinen, Joyce Aalto, Gloria Franklin, Verna Norman, Judy Halmeoja and Sandra Norden.

Rock Boy Scouts

ROCK — Les Mack, Escanaba, and Oscar Ohman, Gladstone, spoke on the Boy Scout camp at Nahma during the Rock Boy Scout meeting at the Clubhouse. Five explorer Scouts from Gladstone also gave interesting points on camp life. Slides were shown illustrating a canoe trip by several Scouts last summer.

Before the next meeting Thursday evening, April 21, the Rock Scouts will play baseball at the School grounds. Scouts wishing to go to the Red Buck Boy Scout summer camp at Nahma this summer must pay in their entry fee during the Thursday meeting.

Briefs

The following township officers took oath of office at a meeting which followed the Maple Ridge Township election: supervisor, Walter Manntie; treasurer, Martin Kaminen; clerk, Frank Salmi; trustees, Clarence Larson and Edwin Ruohonen; board of review, Jay Kleiber; constables, Elmer Lepisto and Jerry Bazinet.

The West Rock 4-H members met at the Ewing Township Hall to complete plans for participating in the Achievment Day program at Marquette April 22.

The Rock Junior Class will present their class play, "Tessie of the Hills" at the Rock High School Friday evening, April 22.

Armour Roberts, Plymouth, Mich., visited recently with the Morley Roberts and Herb Westlund families.

Mr. and Mrs. John Selin motored to Rochester, Minn., where Mrs. Selin will receive a checkup.

Returning recently from Florida were Mr. and Mrs. Charles Valeen, Mr. and Mrs. John Siitari and Mr. and Mrs. Walter Selin, and Floyd Osterberg.

Waino Mattila seems to be the only one in the Rock area who has found coyote pups this spring. He found a den with 4 females and 3 males recently.

BOILER NEEDS

DIXON, Ill. (AP)—Freezing pipes in the Jefferson School boiler room prompted the Board of Education to ask: "How come?"

William Haarbauer of the buildings and grounds committee said the boilers are so well insulated the room got no heat. The board voted $296 for a unit for the boiler room.

Head Of Schools Embezzles $3400

ONTONAGON (AP) — Superintendent of Schools John J. Walisiewicz, 37, of Trout Creek, has admitted embezzling some $3,400 in athletic and class funds entrusted to his care, Prosecutor Donald Munro said today.

Much of the money, Munro said, had been raised by the school children for their senior class trips and for class rings.

Walisiewicz was bound over on $2,800 bond Monday by Justice of the Peace Herbert Gates for appearance in the June term of Ontonagon Circuit Court.

He was charged specifically with embezzling $430.49 from the Trout Creek school athletic fund. Munro said other warrants will be issued after a complete audit by the school board.

Walisiewicz was taken into custody, late Saturday, the prosecutor said, when he returned to Trout Creek after having been missing a week. Munro quoted him as saying he took the money "for personal reasons."

Munro said the superintendent had taken a total of $2,735.33 in class funds, saved for senior "skip day" trips. Of this $1,534.80 was the senior class fund, planned for a trip to New York this spring.

The prosecutor said the shortages first were disclosed in a routine check of the athletic fund.

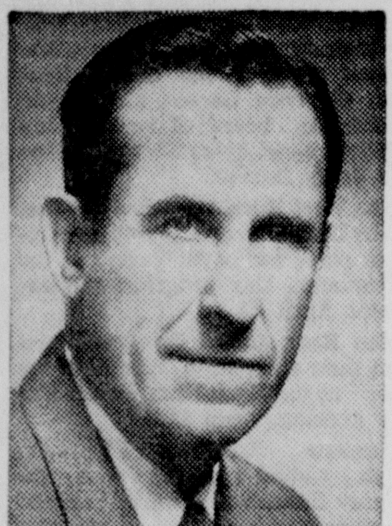
More Rainfall Is Predicted Here For Tonight, Thursday

Approximately three-quarters of an inch of rainfall was recorded in Escanaba before noon this morning with more of the same predicted for this afternoon, tonight and into Thursday.

The rain is caused by warm moist air from the south rising over and flowing northward above the relatively cool surface air mass covering this area, ahead of a deep low pressure system located over North Dakota, S. E. Decker, local meteorologist, reported. Rain was reported from Houghton and Alpena and showers from Marquette but to the west it had ended for the time being at Park Falls, Minn.

Col. Ward Assigned To Atom Bomb Tests

LANSING (AP)—Two Michigan National Guard officers will observe the April 26 atom bomb tests at the Yuca Flats Proving Grounds. Lt. Col. Ronald D. McDonald of Kemos and Lt. Col. Leonard C. Ward of Escanaba will represent the Michigan National Guard at the tests.



DR. CLYDE CAMPBELL, head of the school of education, Michigan State College, will be the principal speaker at the regional White House Conference on Education Thursday at Northern Michigan College of Education. About 60 Delta County delegates will attend the conference. Jess Pomazel, Delta County committee chairman, and Charles Follo of Escanaba will be discussion leaders, in two of the discussion groups at the Marquette conference.

Menominee Will Try Parking Meters

MENOMINEE — Menominee will give parking meters a "trial run" this summer in its downtown business district.

By a vote of 13 to 1, City Council last night adopted an ordinance providing for a parking meter system here and authorized the advertising for bids on parking meters to be opened at the next meeting on May 2.

Details on the operation of the parking meters were left for a later meeting when an enabling ordinance will be adopted, fixing zones for the meters, charges for parking, etc.

Wall Street

NEW YORK (AP) — For the 11th straight time, the stock market today advanced in the early afternoon.

There were a few wide movers in the list, but as a general rule price changes ran from around two points higher to a point lower.

Trading was at a pace around Tuesday's 2,700,000 shares.

Chance Vought dropped back abruptly between four and five points.

The company reported first quarter earnings equal to 65 cents a share as compared with $1.20 last year.

Lion Oil was strong on a good earnings report, and American Cyanamid stepped ahead after reporting first quarter earning at $1.02 a share as against 87 cents last year. Republic Aviation was in demand on first quarter earnings equal to $2.89 a share as compared with 69 cents a year ago.

U. S. government bonds were mixed.

Pamphlets For Publicity Chairmen Available At Press

"So, You've Been Elected Publicity Chairman!" is the title of one of the most instructive and entertaining pamphlets to come the way of harrassed editors in some time.

Twenty-five copies of the booklet, issued by a California insurance firm, have been secured by the Escanaba Daily Press and may be obtained by the first 25 publicity chairmen who stop in at the Press office for them.

The pamphlet is easy reading and its illustrations are clever and to the point, as is the reading material. It is recommended to those who have been handling publicity as well as to those who are starting out. It has good, sound information for both.

School Election Planned June 13

The Escanaba Board of Education last night made plans for the annual school election to be held June 13. All city election precincts will be used for the election and the city's election records will be used.

Two trustees will be elected for four year terms. Trustess whose terms are expiring this year are Dr. Fred Hirn and Harold Crebo.

The election workers will receive $8.50 each and three election workers will be assigned to each of the nine precincts.

The last day for registrations for the school election is June 3.

In 1953, the average American consumed 688 pounds of milk, compared to 800 pounds at the beginning of World War II.

Friday Is Deadline For Straits Bridge Dinner Reservations

Officials of the Straits of Mackinac bridge project will come to Escanaba Monday, April 25, to speak at a 6:30 dinner meeting at the Sherman Hotel, at which Mayor Harlan Yelland will be toastmaster.

Reservations for the dinner should be made with the Escanaba Chamber of Commerce not later than Friday. Members of service club organizations and their wives, and the general public, is invited to attend the dinner.

Prentiss M. Brown, former U. S. Senator and chairman of the Mackinac Bridge Authority, will be the principal speaker. He and others will report on progress of the Straits Bridge project.

Arrangements for the dinner meeting were made by a committee including John Boyle, Karl Dickson, James G. Ward Jr., L. A. Danielson, Lloyd Peltier, Claude Tobin Jr., the Rev. Joseph S. Dickson and Hugh Grow, representing local service clubs and the Escanaba Chamber of Commerce.

School Budget For '55-56 Is Approved

The Escanaba City Schools will need 9.55 mills on the state equalized valuation in 1955-56 in order to prevent a deficit, John Lemmer, school superintendent, told the Escanaba Board of Education last night.

The city schools received seven mills last year.

The board last night approved a budget providing for an expenditure of $645,586. Anticipated revenue for the year exclusive of local taxes is $481,656.32. A deficit of $13,000 is anticipated for the present fiscal year.

To balance the budget as approved by the board, the schools would need $176,929.68 from local taxes or 9.55 mills on the state equalized valuation for Escanaba property of $18,525,841.

The budget expenditures include the following:

Administration, $21,065; instruction, $477,450; operation of school plant, $79,000; maintenance of school plant, $14,370; fixed charges, $8,826; auxiliary services, $21,115; capital outlay, $10,160; supplemental, $13,600.

In addition $29,307.50 is required for debt service retirement for the Junior High School and $26,537.50 for debt retirement for the Lemmer School.

Emil Beck Dies At Convalescent Home

Emil Beck, 80, died at 4 a. m. today at the Delta County Convalescent Home. He had been formerly employed as a woodsworker of the Bay de Noquet Lumber Company.

Mr. Beck was born Feb. 26, 1875 at Norway. No known relatives survive.

The body was taken to the Anderson Funeral Home where funeral arrangements will be completed later today.

Tax Refund Doesn't Clear McCarthy, Says Sen. Watkins

(Continued From Page One)

Hennings was out of the city and could not be reached for comment.

McCarthy said the Internal Revenue Service sent him the $1,056.-75 refund after combing over his financial records in an investigation started under the Truman administration.

He said this "full field investigation" showed he had reported all his income correctly but was entitled to a refund since he hadn't claimed all the deductions he was entitled to.

Accusations Recalled

McCarthy said the decision completely kills a story, which he attributed to the Watkins and Gillette - Hennings hearings, that "something is wrong with McCarthy's finances."

McCarthy turned down various invitations from the Gillette-Hennings subcommittee to discuss his financial affairs. He also hurled a number of accusations at the committee, calling it dishonest and politically motivated.

On these grounds, the Watkins Committee recommended last year that he be censured for contempt. Acting on this recommendation, the Senate voted condemnation of McCarthy's conduct. It also condemned his attacks on the Watkins committee, which he labeled "the unwitting handmaiden of the Communist party."

The Watkins group didn't go into the truth or falsity of the income tax and other charges aired in the earlier investigation. It merely ruled that McCarthy obstructed the processes of the Senate by failing to cooperate.

Two Defendants Given Probation

Circuit Judge Glenn W. Jackson in court yesterday at Escanaba placed on probation two men who had previously entered pleas of guilty. They are:

James A. Hilton, Nahma, charged with larceny, sentenced to probation for one year, with a 30-day jail term a condition of the probation.

Richard Motto, Bark River, charged with breaking and entering, sentenced to a two-year probation term.

Yesterday in another case Judge Jackson ordered a default judgment to the plaintiff of $855.22 with costs to be taxed in the case of Bunno & Sebeck of Gladstone against Melvin Gannon.

This afternoon eight additional jurors were to be drawn to complete the venire for the current term, after a similar number of jurors were excused by the court.

The U.S. match industry estimates the average adult in the nation uses 143 books of matches a year.

Hundreds Perish In Java Landslide

JAKARTA, Indonesia (AP) — An unofficial report received here today said several hundred persons were killed in a landslide Sunday night in the central Java village of Pakasiran. Earth and debris 15 feet deep smashed 46 houses and there were only two survivors, the report said.

Experts estimate that about a fifth of all food planted by man is destroyed by diseases and insect pests before it reaches the table.

Doolittle Fliers Hold Reunion

LOS ANGELES (AP) — Howard Pyle, administrative assistant to President Eisenhower, told the famed Doolittle raiders Monday night that America needs their kind of "consecrated citizenship."

Pyle, former governor of Arizona, addressed a reunion of Lt. Gen. James H. Doolittle and other survivors of the 80 men who took part in the historic air raid on Japan from the carrier Hornet April 18, 1942.

"Let us draw from this incident an inspiration for increased prayer — and the realization that the perils of peace deserve the same consecrated citizenship as did the perils these men faced when they left the Hornet," Pyle said.

Pyle joined California Gov. Goodwin J. Knight, Utah Gov. J. Bracken Lee, and other dignitaries in honoring the 38 fliers present and their commander, Doolittle. Sixty of the original group survive.

Pye read a telegram from President Eisenhower sending greetings to the Doolittle crewmen and praising the raid as an event which "captured the imagination of the American people." Doolittle was a lieutenant colonel at the time of the flight. He is now retired from the Air Force and lives in New York.

Comedian Bob Hope also appeared on the program, which drew a capacity crowd at the Ambassador Hotel's Cocoanut Grove.

The Doolittle fliers are holding a meeting in Los Angeles.

Hyde

The Harmony Birthday Club honored Mrs. James Heider at its meeting Saturday afternoon. Mrs. Leonard Cota had high score in games, Mrs. Joseph Fudala was second, Mrs. Ed Wunder, third, and Mrs. Ragner Ogren received the guest award. The club presented Mrs. Heider with a gift. Lunch was served at the close of the party.

Mr. and Mrs. George Foote have returned from a visit in Marinette and with Mr. and Mrs. Clement Linder at Nadeau.

Rev. Walter Henning and family have returned from a visit with relatives in Detroit.

Mrs. Adolph Leisner and grandson, Brian Gagnon, are in Detroit visiting Brian's parents.

The average American consumed 352 pounds of fluid milk in 1954 compar to 399 pounds in 1945.

Trenary

TRENARY — Mr. and Mrs. John Kyle have returned to Detroit after spending a few days with Mrs. Kyle's mother, Mrs. Marla Latvala and her sister, Mrs. Issac Maki.

Mr. and Mrs. Charles St. Arnaud returned to Negaunee after a visit with her mother, Mrs. Maria Latvala. They were accompanied by Mrs. Issac Maki who will visit there a couple days.

A Lion's meeting, will be held tonight (Tuesday) at the Town Hall. Erwin Harris and Arnold Hill will be in charge of the lunch.

Mr. and Mrs. Neil Haapala, Mr. and Mrs. Henry Tuuri, Mr. and Mrs. Joseph Ostanek, Mr. and Mrs. Adlore Lusardi and family, Mrs. John Hill, and Mrs. Maria Lehtikangas attend the wedding of Irene Karasti and Lawrence Malnor at the Bethany Lutheran church in Escanaba Saturday evening.

Mr. and Mrs. Edmond Ouellette have returned after spending a week in Lower Michigan visiting their children.

Kim Peterson, son of Mr. and Mrs. Glenn Peterson, has been released from St. Francis Hospital where he was a medical patient.

Mrs. Leon Fralik of Detroit, Mrs. Wilfred McPherson, Thomas Wright, and Sidney Wright of Fowlerville have returned to their home after attending the funeral of John Wright.

Mr. and Mrs. Francis Finlan and children and Mrs. Margaret Finlan motored to Iron Mountain Sunday to visit Archie Finlan who is a patient in a hospital there.

Net Earnings Up

DETROIT (AP) — Detroit Edison Co., reported Tuesday its net earnings for 12 months ending March 31 were $23,516,009 equal to $2.18 a share on 10,793,258 shares then outstanding. In the similar period last year net earnings were $20,656,041 or $1.92 a share on the 10,745,353 shares.

WANDERING DOG

DECATUR, Ill. (AP) — Skippy, a little mongrel dog who came north from Biloxi, Miss., with his master, Bill Sewell, for a visit with relatives disappeared and was missing for 18 days.

Then one evening he was whining at the front door of the James Weilepp home, where he had lived for only one day.

Sweden reports that 9,235 foreigners became Swedish citizens in 1954.

IT DOESN'T TAKE MUCH, BUT YOU NEED A LOT

It's the truth. When you plan your home you need a lot before you build. It doesn't take much cash to make a down payment on that lot. The best way to find your lot is in the Daily Press Classified ad pages. (P. S. If you have a lot to sell, now is the time to call 692 and place your ad.)

Congress Asked To Honor Salk

AUGUSTA, Ga. (AP)—President Eisenhower wants to honor Dr. Jonas Salk, the discover of an effective polio vaccine, with "the highest civilian award our nation could give."

And if congress acts swiftly enough, the chief executive may be able to do so when Salk visits the White House Friday to receive Eisenhower's congratulations on behalf of all Americans.

The President's vacation headquarters late Monday announced plans for the Washington ceremony.

The award Eisenhower wants to present to Salk hasn't even been authorized by Congress yet, but he hopes it will have been by Friday afternoon.

The person who fails to learn from the little trials of life usually learns his lesson too late.

Marine Drops 'Dud' At Camp Pendleton And Injures 33 Men

CAMP PENDLETON, Calf. (AP)—A small caliber artillery shell accidentally dropped by a Marine standing in a mess line, exploded and injured 33 enlisted men yesterday.

A spokesman for the 1st Marine Division said the Marine was believed to have picked up the 'dud' artillery shell on the firing range as a souvenir.

"He was showing it to his buddy in the mess line," the spokesman and injured 33 enlisted men.

Women's Activities

Patricia Bolm, Jack Erickson Exchange Vows

Baskets of spring flowers and two tall standards on either side of the altar adorned Salem Lutheran Church at Bark River for the wedding Saturday, April 16, of Miss Patricia Anne Bolm and Jack Reynold Erickson. The bride's parents are Mr. and Mrs. Elmer Bolm, Bark River Rte. 1, and parents of the bridegroom are Mr. and Mrs. Byrtle Erickson, Bark River.

Preceding the 7 p. m. candlelight nuptial service at which the Rev. Frank Peterson officiated, two solos, "Because" and " I Love You Truly" were sung by Mrs. Joan Nagy. The soloist also sang "The Lord's Prayer" during the ceremony. Miss Lois Biendarra played the organ music.

Identical Gowns

The bride, who was given in marriage by her father, wore a gown of white lace over satin designed with a portrait neckline, a white mink collar, gift of the bridegroom, and long tapering sleeves. The floor length gown was fashioned with a skirt of lace over nylon tulle inserted with an accordion pleated panel. Her fingertip veil was held by a headband of seed pearls. She carried a cascade bouquet of white roses centered by a white orchid.

Identical waltz length gowns were worn by the matron of honor, Mrs. Beverly Fournier, the bridegroom's sister, and the two bridal aides, Miss Doris Bolm, cousin of the bride, and Miss Evelyn Erickson, cousin of the bridegroom. The honor attendant was attired in nile green, while the bridesmaids wore emerald green. The princess style gowns were worn with matching nylon lace jackets and open crown bonnets and mitts of matching shades. They carried cascade bouquets of yellow ross and stephanotis with white picotted streamers.

300 At Reception

Cousin of the bride, Paul Bolm, acted as the best man. Ushering the guests to their seats were Arthur Fournier, brother-in-law of the bridegroom, and Howard Erickson, the bridegroom's cousin.

Mrs. Bolm attended her daughter's wedding attired in a navy dress with white accessories, while the bridegrom's mother wore a grey print dress with white accessories. Both mothers wore corsages fashioned of red garnet roses.

A wedding reception was held for 300 guests from 8 p. m. to 10 p. m. in the church parlors, which were decorated with baskets of flowers and lighted tapers. The bride's aunt, Mrs. Herman Johnson, served the wedding cake, while pouring was Mrs. Charles Stenberg, the bridegroom's aunt. Friends of the bride also assisted at the reception.

Traveling Costume

The bride wore a black wool tweed traveling costume with matching accessories and an orchid corsage when the newlyweds left on their wedding trip to an unannounced destination. Both are graduates of Bark River-Harris High School. The bridegroom is in the mink business, while the new Mrs. Erickson is employed at the Escanaba Dairy.

Out-of-town wedding guests included Mr. and Mrs. Chester Stenberg, Minneapolis; Mr. and Mrs. John Pearce and daughter, Ruth, Escanaba; Mr. and Mrs. Herman Johnson, Ted Anderson and Joyce Anderson and Mrs. Ruth Anderson and children, Jack and Robert, all of Chicago; Mr. and Mrs. Art Biendarra and Lois, Green Bay; Kenneth Biendarra, Ironwood; Paul Bolm, Doris Bolm and Mr. and Mrs. Wallace Bolm, LaGrange, Ill.; Mr. and Mrs. John Anderson, Duluth, Minn.; Mr. and Mrs. Elmer Carlson and Mr. and Mrs. Bert Ebbeson, Gladstone; Mr. and Mrs. Richard Johnston and sons, Ensign; Mrs. Genevieve McFadden and daughter, Janice, Cornell; Mr. and Mrs. Oscar Bolm and Mr. and Mrs. Gus McFadden, Groos, and Charles Oakman, Cooks, and many friends of surrounding areas.

Shining In The Rain

RAIN-DEAR . . . Some girls pray for rain these days so they can wear their gay new rainy-day fashions. One of the season's newest is this striking outfit in shiny black plastic-coated Swiss cotton, in a white rain-splashed print, designed by Lawrence of London. Our pretty cover-up girl also has matching gloves, umbrella and rain hat, the latter designed by Emme.

WEDDING IN MAY — Mr. and Mrs. Theodore DeGrave, of Wilson announce the approaching marriage of their daughter, Shirley, to Charles Gay, son of Mr. and Mrs. Edward Gay of 1528 Linval, Lansing. The wedding will take place May 15 at the Seventh-day Adventist Church in Wilson. The bride-elect is a member of the staff of the Ingham County Hospital.

Covenant Aid Social Meeting Thursday

The Ladies' Aid Society of the Evangelical Covenant Church will meet Thursday at 2:30 p. m. in the church parlors for its monthly social. The program will include a reading by Mrs. George Lundeen, vocal duets by Mrs. Carl Olson and Mrs. Jerrold Becvar of Gladstone, and a talk by Miss Helen Sohlberg of Gladstone, who will be the guest speaker. Hostesses are Mrs. Harold Crebo and Mrs. Arthur Carlson. The meeting is open to members and their friends.

Delegates Leave For P. E. O. Convention

Mrs. William Leiper, 521 S. 7th St., and Miss Fern Fontanna, 104 1st Ave. S., left this morning by motor for Flint to attend the annual convention of the Michigan State Chapter, P.E.O. Sisterhood, which will be held at the Durant Hotel April 21-23. Mrs. Leiper and Miss Fontanna are delegates of Chapter Z of Escanaba.

WINS AWARD—Miss Judy Cass, daughter of Mr. and Mrs. Harold Cass of Romulus, Mich., and granddaughter of Mr. and Mrs. William Cass of 1114 10th Ave. S., Escanaba, is one of three Michigan girls receiving Future Homemakers of America scholarship awards to Michigan State College. Miss Cass has visited in Escanaba and spent summertime vacations at Ford River.

P. E. O. Chapter Meeting Thursday

Chapter Z of the P.E.O. Sisterhood will meet Thursday at 8 p. m. at the home of Mrs. Thaxter Shaw, 601 Ogden Ave. Assisting hostesses will be Mrs. J. F. Bartlett and Mrs. Clara Somers. Mrs. Henry Wylie will have charge of the program.

Use a wide pan when you are cooking more than one package of frozen vegetables that come in "blocks" so you won't have to stack them.

Social—Club

Rummage Sale

The W. S. C. S. of Central Methodist Church will hold a rummage sale Friday starting at 9 a. m. in the church basement. Donations should be in by Thursday evening.

Skilled Jills

The Skilled Jills Home Economics club will hold its monthly meeting Thursday, April 21, at the home of Mrs. Henning Nelson at Groos. Members are reminded to bring bits of yarn, old nylons and carpet rags, which are to be used at Bay Cliff. Unfinished products also will be worked on at the meeting.

Heat drained canned small white onions in a cheese sauce; sprinkle with paprika or minced parsley before serving.

After you've finished baking, leave your oven door open for five minutes or so to let any moisture evaporate.

The Bible----Can You Quote It?

1—According to the multitude of thy tender mercies blot out my——— Psalm 51:1
2—When Jesus said," It is not meat to take the children's bread, and cast it to the dogs", St. Matt. 15:27 what did the woman reply? St. Matt. 15:27
3—After the reunion with Joseph, did Jacob's entire family move into Egypt? Exodus 1:1
4—Why did St. Paul try to be as one of the people with whom he was trying to save? 1 Corinthians 9: 20-27
5—Knowledge puffeth up, but charity—— 1 Corinthians 8:1
6—To what, was the great love of Jonathan and David compared? 2 Sam. 1:26
7—When Paul started to preach, did he go first to Arabia or Jerusalem? Galatians 1:17

Save Time, Money On Kitchen Floors

Why wear yourself out scrubbing your kitchen floor, or spend money constantly to wax it?

You don't have to do either one when you use Glaxo, the wonderful floor coating with the built-in seal against dirt. One application keeps your linoleum or asphalt tile shiny for six months or so at a time.

Glaxo dries in an hour to a water-clear, non-slip finish that defies dirt, grease and hard wear. Get up off your hands and knees, throw away the floor wax—use Glaxo!

Newcomers Club Met Last Evening

The Welcome Wagon Newcomers Club held a meeting last evening at the Sherman Hotel. Following the business session, games were played.

Mrs. Paul Snyder gave an interesting and informative talk on flowers and floral arrangements, one of which was given as the guest award to Mrs. John Sankovitch.

During the business session, reports of the contributions of the club to the Easter Crippled Children's Drive and the Cancer Drive.

Awards were presented Mrs. Patricia Stevens, high, Mrs. William Maas, and Mrs. Robert Duchert, consolation, in bridge, and Mrs. Dexter Babcock, canasta.

New members of the club are Mrs. Kenneth Konrad, Mrs. Ronald Johnson, Mrs. Gerald Foster, Mrs. Alvah Reynolds, Mrs. Volkmar vonHagke and Mrs. Ernest Landen

THE ENGAGEMENT of their daughter, Donna Mae, to Carroll Stewart is announced by Mr. and Mrs. Charles Watchorn of Fayette. Miss Watchorn will be graduated from God's Bible School College in Cincinnati, Ohio, this spring. Her fiance is a son of Mr. and Mrs. Russell Stewart of Reading, Mich.

Personals

Mrs. Gideon Stegath, 922 7th Ave. S., has returned from a visit in St. Paul with her daughter, Mrs. J. E. Franke, and members of her family.

Mrs. Oliver V. Thatcher has returned from Austin, Tex., where she visited her son, Captain Frederick Thatcher, who is stationed at Bergstrom AFB and who is leaving for a tour of duty in England in the near future. She also spent some time at Crown Point, Ind., with Dr. Charles Thatcher, another son, and members of his family. Dr. Thatcher received his degree of doctor of philosophy from the University of Michigan in February.

Mr. and Mrs. John Coyne, 941 Washington Ave., left today on a business trip to Kenosha, Wis.

Mrs. Albert Gallaway returned today to Chicago after spending the past several days at the home of her son-in-law and daughter, Mr. and Mrs. Robert Beveridge, 331 S. 11th St.

Mrs. Edward (Chico) Randall and Miss Katy Randall returned today to Menominee. They were in Escanaba for several days during which Mrs. Randall obtained her citizenship papers.

Mr. and Mrs. Peter Degeneffe, 315 S. 13th St., left today for Green Bay where they will attend the funeral services for Louis Frosch.

Gordon Flath of the Dells today left for Chicago where he will visit with several friends for a few days. Enroute home, Gordon will attend the Saturday evening show of the "1955 Ice Follies" at Milwaukee.

Mr. and Mrs. Axel Youngchild, 317 S. 18th St., and Mr. and Mrs. Henry Meunier, 222 N. 12th St., have returned from Peshtigo where they attended the funeral service for Howard Harper.

If you beat in sugar a little at a time, when you are making a meringue, the sugar will have its best chance of dissolving. When the sugar dissolves in the egg whites in this way, the meringue is creamy, airy and holds up well.

Dorothy Mae Schultz Will Be Bride Of John J. Towey

Mrs. William E. Schultz of LeSueur, Minn., announces the engagement of her daughter, Dorothy Mae, Minneapolis, to John J. Towey, Minneapolis, son of Dr. and Mrs. John W. Towey of Powers. Miss Schutlz attended Mankato State Teachers College. Her fiance is a graduate of the College of St. Thomas, St. Paul. The wedding will take place June 25 in LeSueur.

Grease, food and liquids spilled on the kitchen floor, and using rickety chairs and stools to stand on to reach high places, are the main causes of falls in the kitchen. Play safe! Wipe up spills as soon as they are made; use a sturdy kitchen steplatter when you have to reach a high shelf.

150 Teachers Attend Institute

Approximately 150 teachers of the Delta County Unit of the Michigan Education Association attended the Teachers Institute held Tuesday afternoon at Gladstone High School.

Conducting the institute was Louise Gersbacher, Madison, Wis., reading consultant for the Scott-Forsman Co. Using 20 pupils from Mrs. Henning Bjork's fourth grade as a demonstration class the teaching of reading was shown with a discussion following.

The institute was arranged by Hagle Quarnstrom, Delta County Commissioner of Schools.

Because of the institute no classes were held in the Central or High School yesterday afternoon.

Obituary

ROGER KING

Funeral services for Roger King of Rapid River who was drowned while fishing on Little Bay de Noc will be held at 10 a. m. Thursday at the Skradski Funeral Home in Gladstone. Burial will be in Rapid River Cemetery. Military rites will be conducted by Walter Cole Post of the American Legion.

The rosary will be recited at 8 this evening at the funeral home.

AUGUST MERCIER

Funeral services for August Mercier, were held at 9 Friday morning at the Sacred Heart Church in Munising with Rev. Fr. Gerald Harrington, pastor, offering the requiem. Burial was in Maple Grove Cemetery.

Mr. Mercier, who has made his home with his daughter, Mrs. George Nebel, 308 Wisconsin Ave., for the past four years, was a patient at St. Francis Hospital, where he passed away on April 12.

He was born April 30, 1868, in Newport, Quebec, Canada, and came to Delta County when he was 16 years of age. He has worked in Nahma, until 1919 and then went to Munising where he lived with his other daughters.

He was married April 20, 1892 to Isabel Roberts. Their marriage took place in Nahma. His wife passed away 27 years ago.

Surviving are three daughters, Mrs. George Nebel, Gladstone; Mrs. Axel Wittlock and Mrs. Wesley Ward, Munising; and a son Leo Mercier of Gary, Ind., 15 grandchildren, 31 great grandchildren and 3 great-great grandchildren.

CHRIS GRIBBLE

Funeral services for Chris H. Gribble, retired banker, were conducted Monday afternoon at the Kelley Funeral Home, the Rev. Meldon Crawford, pastor of Memorial Methodist Church, officiating.

During the rites Paul Cowen sang "Faith of Our Fathers" and "In the Garden" with Louise Klug as accompanist.

Pallbearers were Stewart E. Earle, G. Harold Earle and Henry Lombard of Hermansville, Torval Kallerson and Oscar Ohman, city, and Howard White, Minneapolis. Burial was made in Fernwood Cemetery. Rites of the Odd Fellow Lodge were conducted at graveside.

Flowers were in charge of Mrs. H. J. Miller, Mrs. Torval Kallerson, Mrs. Herman Kinnie and Mrs. Marvin Larsen.

Attending the rites from out of town were Mr. and Mrs. Howard White, Minneapolis, Mr. and Mrs. James Gribble, Hermansville, and Mr. and Mrs. S. K. Riblet, White Cloud, Mich., and many friends from Hermansville.

POLIO CLINIC HELD — First graders of the Central and Buckeye Schools received the Salk vaccine to immunize them against polio at a clinic held Tuesday afternoon at the junior high school. Dr. Carl Olson M.D., did the vaccinating assisted by Elizabeth Nelson, R.N., school nurse, and Gloria Burcar, student, in the background. Receiving the shot is Dianne Erickson, daughter of Mr. and Mrs. John L. Erickson, 621 Michigan Ave. Another clinic will be held Thursday afternoon with pupils of Mrs. Ila Hoffos' room reporting at 1, Kipling school pupils at 1:30, Mrs. Evelyn Ulrich's room at 2 and Miss Alice Garrett's room at 2:45 (Daily Press Photo)

Child Welfare Report Given

A total of $851.45 was expended by the Child's Welfare Club during the past fiscal year for the welfare of children, according to figures released yesterday by Mrs. H. J. Skogquist, club president.

Furnishing of milk, a total of 1930 quarts was responsible for the largest expenditure, $333.76, shoes came next in the amount of $189.41 while Christmas baskets cost the club $172.51. Clothing amounted to $81.52, food $32.88, nurses scholarship fund $10.00 and miscellaneous $31.37.

Receipts during the year amounted to $877.16 so there is a small balance left of $25.71.

During the year the club had two special projects, conduction of a bake sale as a benefit for the Girls Town Building fund, a venture that netted $76.22 and raising money for band uniforms, also done by a bake sale, which amounted to $75.00.

New clothing, purchased at local stores, given out included 15 pair sox, 19 pair shoes, two blouses, 5 shirts, two cotton dresses, 8 suits underwear, 3 pair overshoes, 6½ yards of material for underclothing and 8 pair jeans.

Used clothing furnished included 4 snow pants, 5 coats, 5 sweaters, 10 caps, 7 pair shoes, 11 jackets, 10 pair jeans, 11 pair sox, 2 shirts, 4 blouses, 10 suits underwear, 7 shirts, 9 pair mittens, 8 head scarves and repairing two pair shoes.

A total of 1930 quarts of homogenized milk was delivered by local dairies and 40 Christmas baskets of food were prepared and delivered.

Make Progress In Cancer Fund

The drive for funds for the American Cancer Society is progressing in favorable manner, according to Fred D. Hoover, Gladstone chairman.

In order that every person in Gladstone has the opportunity to give toward the worthy cause, Mr. Hoover has arranged that calls may be made to either of two phone numbers and the contributions will be called for.

"Through several mediums the American Cancer Society is able to contact about 90 per cent of the population of Gladstone without making a house to house canvass.

"In the 10 per cent not reached through these mediums there probably are many who may wish to make a donation, large or small, to the fund. They may do so by phoning 9-4921 or 2471 and someone will call to pick up the contribution."

The numbers listed are those of Miss Jean Miller, education chairman for the Delta county unit, and Mr. Hoover's.

The drive, which started April 14, will continue through the end of the month.

TRADE-IN-WINGS

LOS ANGELES (AP)—Owners of Douglas DC3 airplanes can now trade in the outer wings of their craft for a pair that will hold 400 extra gallons of gasoline. The Garrett Corp. aviation service division here says flying range is increased by about 800 miles.

Briefly Told

Covenant Men—A meeting of the Covenant Men will be held in the parlors of the Mission Covenant Church at 8 Thursday night. Harold and Henning Nelson will be the hosts.

Practice For O.E.S.—All officers of Minnewasca Chapter 96, O.E.S., will meet at the Masonic hall Thursday at 7 p. m. to hold a practice session for their initiation ceremony next Tuesday.

Pvt. Allen Louis is spending a 14-day leave visiting with his parents, Mr. and Mrs. Robert Louis. He has completed his basic training at Fort Leonard Wood, Mo. At the conclusion of his leave he will report to Del Pasco, Tex.

BETTER HEALTH!

O-JIB-WA PROVIDES POSITIVE RELIEF FOR—

Stomach Ailments — INDIGESTION, BLOATING, HEARTBURN, ACID RISING, HEADACHES, BAD BREATH

Kidney Ailments — BACKACHES, HIGH BLOOD PRESSURE, BLADDER TROUBLE, NIGHT RISING, CIRCLES UNDER EYES

Rheumatic Pains — ARTHRITIS, NEURITIS, SCIATICA, LUMBAGO, LEG PAINS, STIFF OR SWOLLEN JOINTS

TRY THE O-JIB-WA BITTERS WAY TO GOOD HEALTH - - IT'S THE BEST

Regardless of how long you have suffered, you can uproot these ailments and drive them out of your system. For over 40 years, O-JIB-WA BITTERS has been Michigan's leading medicine, because it gives not only relief, but actually works to correct the cause of these tormenting conditions. Over 2,000,000 people right here in Michigan have tried this all herb medicine, and now recommend it to those who suffer.

O-JIB-WA BITTERS works to cleanse the blood of poisons and waste that have accumulated in the system causing anemia, skin trouble and bad blood. It stimulates the digestive juices; promoting better digestion. It flushes the poison from tired kidneys and stops backaches, night rising, etc. O-JIB-WA also works to naturally steady overtaxed nerves, and helps you to sleep better. As a tonic and stomach medicine, its the greatest. REMEMBER—the quicker you start on O-JIB-WA BITTERS, the sooner you will be better. Insist on genuine O-JIB-WA BITTERS.

THREE ECONOMICAL SIZES AT ALL DRUG STORES IN MICHIGAN

CONTRACT BRIDGE

By Josephine Culbertson

HECTIC BIDDING

THE FREAKISH hand that West held in the following case gave rise to some remarkable bidding.

South dealer.
Both sides vulnerable.
North-South 60 on score.

North: ♠ Q 6 5 ♥ 8 6 4 2 ♦ K Q 10 7 4 ♣ 7

West: ♠ 8 7 2 ♥ A ♦ A ♣ K Q J 9 8 5 3 2

East: ♠ K 4 ♥ 10 9 7 3 ♦ J 9 8 6 3 2 ♣ 4

South: ♠ A J 10 9 3 ♥ K Q J 5 ♦ 5 ♣ A 10 6

The bidding:

South	West	North	East
1 ♠	2 ♣	2 ♠	Pass
3 ♣	3 ♠ (!)	Pass	3 NT
Dble.	4 ♣	4 ♦	Pass
4 ♠	5 ♣	Pass	Pass
5 ♠	Dble.	Pass	Pass
Pass			

On the early rounds of bidding—West having played 'possum with his meek two-club overcall—North and South were chiefly concerned with their own 60 part-score, but as the remarkable auction went into full swing, it became in effect a psychic duel between West and South.

West's *very* unorthodox cue bid in spades had two purposes: to confuse the opponents, and to inform East that his partner had very substantial offensive strength. West hoped that when he reached five clubs (as he fully intended doing), the enemy would be kept from doubling through fear of a spade void in West's hand.

The truly important bids, however, were made by North and South themselves, and it was these that formed the basis of a lively post mortem argument between them. North insisted that he had shown very little strength throughout the auction, and therefore that South should have doubled five clubs; whereas South bitterly criticized his partner's four-diamond bid *and* North's failure to make a "preventive double" of five clubs as a warning to South that he would not be safe at the five-level.

Beyond question, South might have doubled five clubs as the more conservative action; but it is equally true that North's bidding could scarcely fail to mislead South. North's immediate raise in spades was aggressive enough, hence his four-diamond bid was excessive.

South went down 500 points, whereas his side could have collected 500 points against the club contract.

Cancer Drive $500 Short Of Quota; 'Lights-On' Campaign Is Planned

The 1955 fund drive of the Schoolcraft county chapter of the American Cancer Society is $500 short of quota, Otmer Schuster, chairman, reports.

The chapter will conduct a "lights-on" campaign for house-to-house contributions Monday, May 2, following a meeting of volunteer workers Saturday, April 30.

In the past 10 years, the American Cancer Society has devoted approximately $35 million to cancer research, Schuster stated, and about $5,500,000 raised in 1954 went toward the same end. Research supported by the Cancer Society is going forward in 132 hospitals, universities and laboratories.

More than 1,000 top-flight scientists are concerned directly with research activities, and over 3,000 younger men and women are working as technicians or training for larger responsibilities under the key investigators, he explained.

"There is no doubt that March of Dimes contributions over the years had much to do with the recent victory over polio through Salk vaccine," Schuster pointed out. "And the same thing will happen with cancer," he declared.

"Our population is growing older, people are living longer, and as a result, the incidence of cancer cases in the United States is rising," the Manistique chairman observed.

He pointed out that more and more men and women are entering the age group most susceptible to the disease. Hence, the society must intensify its nation-wide program of service to patients, research to find new methods of cure, and education in ways to detect evidence of cancer early enough for effective treatment.

Lives saved in this country last year through early detection and prompt medical attention totaled 75,000, but twice as many could have been saved, if treatment had been started in time, Schuster stated.

Briefly Told

Girls Choir—Presbyterian girls choir will meet in the church at 7:30 p. m., Thursday for practice.

Senior Choir — Bethel Baptist Church senior choir will rehearse in the church tonight at 8:45.

Westminster Fellowship — Junior High Westminster Fellowship of the Presbyterian Church will meet in the church at 7 p. m., Thursday.

Mom's Club — Mom's Unit. No. 31 will meet at 8 p. m., Thursday in the home of Mrs. Henry DeSautel. Mrs. Leo Chartier will serve as assisting hostess.

Navy Recruiting — A Navy recruiter will be at the Manistique Post office beginning at 1 p. m., Wednesday, April 27 and Thursday, April 28, at 9 a. m.

Square Dancers — Manistique Square Dancers will dance Saturday at 8 p. m., at the Lincoln School gym. Couples who enjoy square dancing are invited to attend.

Legion Auxiliary — A special meeting of the American Legion Auxiliary will be held Thursday at 8 p. m., to home delegates to the district meeting at Menominee Sunday, April 24.

Accreditation—Don Dolan, of the University of Michigan bureau of special services, is scheduled to visit Cooks school Thursday. He will inspect the school and school program for accreditation purposes.

Kings Daughters — A White Cross meeting of Kings Daughters of Bethel Baptist church will be held at 8 p. m., Thursday in the church. A pink and blue shower for Mrs. Robert Oberg, former president who moved to Detroit a year ago, also is planned. Pot luck lunch will be served.

Sportsmen's Club — Resolutions which will be presented at the annual convention of the Northern Michigan Sportsmen's association will be discussed at a regular meeting of the Schoolcraft County Sportsmen's club at 8 p. m., Thursday. Movies will be shown also, and lunch will be served.

Roy Barnes Dies—Word has been received here from the Elks Lodge at Vallejo, Calif., that Roy W. Barnes, who was a member of the Manistique Elks Lodge, has passed away. While in Manistique he was a life insurance salesman. He was born at Fond du Lac, Wis., August 30, 1886.

Car Accident—Cars driven by Miss Barbara Frankovich, of 221 N. Cedar, and Mrs. William Rodgers, of Gulliver, collided at 5 p. m., Tuesday in the 200 block of South Cedar St. City police reported the Rodgers car pulled out from a parking place and sideswiped the Frankovich auto. A car double-parked north of the scene obstructed the view of Mrs. Rodgers, officers said. No tickets were issued. The sides of both cars were damaged.

Hiawatha Pastor Returns To Pulpit

HIAWATHA— The Rev. Violet Byers, who has been ill, returns to the pulpit Sunday to conduct services at 2:30 p. m., in the Foursquare Church.

Her topic will be "What Does Pentecost Mean." The public is invited.

Sunday School will be conducted at 1:30 p. m., and awards will be made for perfect attendance.

Brush Chipper Bid Accepted

Purchase of a brush chipper at a cost of $1772 was authorized by the Schoolcraft County road commission at an adjourned meeting Tuesday afternoon in commission offices.

The accepted bid, from McCulloch Chain Saw company of Battle Creek, was the lowest of four received. Other prices bid were $2896, $2900 and $3650.

The bid price does not include shipping costs. Delivery is scheduled in two weeks. The machine chops brush, after it is cut, and eliminates the necessity of hauling or bruning.

The road commission also is considering plans for use of sulphite liquor from the Munising Paper company for Schoolcraft roads. Further discussion is slated for the regular meeting of the commission next Tuesday.

MHS Debaters Are Honored At Dinner

Mr. and Mrs. Otmer Schuster Monday evening entertained at a dinner party at the Surf honoring Manistique High School debaters, who this year won the U. P. debate championship and had a member of their squad, Jon Schuster, win the state debating championship.

Marvin Frederickson, debate coach, was guest speaker. He told of experiences of debaters in competition at Marquette and Ann Arbor. Debaters presented a skit and J. Earl Cousineau led group singing.

Carl Olson, high school principal, gave the invocation and a number of guests spoke briefly. Otmer Schuster was master of ceremonies for the party, attended by 65 guests, including teachers, debaters and their parents, the coach, and others.

Dinner music was furnished by Mrs. Roy LaMarche. The MHS 1955 class colors, green and white, were used in the decorative scheme. Tables were centered with pink and yellow floral pieces.

Dr. Wehner Heads Park Committee

Dr. Merle E. Wehner was elected chairman of the newly-created Park Planning committee at its organization meeting held Monday night in city hall. Mrs. Elmer T. Lundstrom was elected secretary.

The committee was created by Mayor A. W. Heitman and the City Council, to plan development of parks here, at its March 28 meeting.

The next meeting will be held May 2.

Beautiful Days Waltz, Janice Ekblad and Ruth Freeman

Accordion Solo—
Under The Double Eagle, Virginia VanDyck.

Senior Band—
Green Meadows, Hanson
Student Prince, Romberg
Gremlin Ball, Hill
Letter awards to Juniors and Seniors

Senior Band—
Stars and Stripes March, Sousa
National Anthem — Senior Band and audience.

Senior Class Selects Play

"Tiger House," a 3-act mystery comedy by Robert St. Clair, has been selected by the Manistique High School Senior class for presentation in the school auditorium Saturday, May 21 at 8 p. m.

Tryouts for cast members were held Monday and rehearsals begin this week under direction of Marvin Frederickson.

Those in the cast are as follows, Donna Larson, as Erma Lowrie; Janet Pollock, Aunt Sophia; Sharon Knight, the mystery woman; Patricia Lindberg, Peggie Van Ess; Jon Schuster, Yami; Robert Corson, Art Hale; Dan Harbick, Mac Intosh; Beverly Gentz, Mrs. Murdock; Ed Busch, Thompson, and Bill Sheahan, Oswald Kerins.

Mrs. Hough Will Attend Meeting In Battle Creek

Mrs. Ludwig Hough, county school superintendent, will attend a semi-annual meeting of the Michigan Child Accounting and Attendance association April 28-29 at St. Mary's Lake, Battle Creek.

George Edwards, circuit judge of Wayne county, who is recognized as an authority on juvenile delinquency will be among the speakers.

Also scheduled is a talk by James C. Lafferty, director of psychological services for the Wayne county board of education.

Social

Harvesters

Mrs. Johanna Dahms, Mrs. Florence Vail and Michael Rooney were appointed to a nominating committee by Mrs. Earl H. LeBrasseur at the regular monthly social meeting of the Harvesters Monday evening. An election of officers will be held at the next meeting, scheduled May 16.

After the business meeting a series of games and contests were played.

Lunch was served by Mrs. Dahms, Mrs. Vail, Mrs. Ethel Wood and Miss Gertrude Greenwood.

* * *

Bridge Club

Mrs. Earl H. LeBrasseur, 318 Range St., entertained members of her bridge club recently at her home.

Prizes were awarded to Mrs. Fred Cayia Jr., and Mrs. E. J. Thompson.

THOSE IN UNIFORM

Robert Gundersen, SKSA, U. S. Navy, son of Mr. and Mrs. Martin Gundersen, 110 N. 2nd St., has been assigned to the aircraft carrier, USS Cape Esperance in the Far East. He completed storekeeper schooling March 1 in San Diego, Calif.

Army Pfc. Leon W. Linderoth, son of Walter P. Linderoth, 145 N. Houghton Ave., Manistique, recently was graduated from the Seventh Army Non-Commissioned Officer Academy in Munich, Germany. The 22-year-old soldier entered the Army in March, 1954 and completed basic training at Camp Chaffee, Ark. He arrived overseas last February. Linderoth attended the University of Michigan.

FOUR GENERATIONS—Richard Carl Sundling, sitting in the lap of his grandmother, Mrs. Clara Hynes, represents the fourth generation in the family. Standing are his mother, Mrs. Carl Sundling, at left, and his grandmother, Mrs. Vanner Erickson, Mrs. Hynes, who was born at Sawyer, Wis., April 11, 1886, has 19 grandchildren, 22 great grandchildren and a great, great grandson.

Annual 4-H Club Show Is Slated Friday, Saturday

Club projects will be exhibited by 300 to 325 4-H club members from Schoolcraft county in the annual spring achievement program scheduled Friday and Saturday in Manistique High school.

The projects will be exhibited in the old gymnasium, where an open house is planning Friday evening to permit public viewing of the exhibits.

Saturday morning club members will see a movie in the school auditorium. In the afternoon, beginning at 1:30, they will model clothing and projects in a style show. Awards winners will be announced following the style show.

VFW Officers Are Installed

Mrs. James Howland and Ivor Willcock served as installing officers for joint installation ceremonies Monday night for Manistique VFW Post 4420 and its Auxiliary.

Post officers installed were as follows:

Maurice Cousineau, commander; Junior Middaugh, senior vice commander; Wilfred Johnson, junior vice commander; John B. Nessman, quartermaster; William J. Olesak, adjutant; Stephen Johnson, post advocate; Marty Fregario, chaplain; James H. Fyvie, M. D., surgeon; Ivor Willcock, public relations; Marvin Frederickson, patriotic instructor; Donald Martin, post historian; James Howland, employment officer; Donald Messier, service officer; C. V. Gerlach, community service; Donald MacLean, national home representative; Lewis Olson, buddy poppy chairman; Ed Gray, legislative officer; Wilfred Johnson, officer of the day; trustees, Dewey Minor, 1 year, Archie Carpenter, 2 years, and James Howland, 3 years; Marty Fragario, sergeant major; Junior Middaugh, QM sergeant; Lewis Olson, guard; Albert Ackerman, color bearer, and Archie Carpenter and Albert Mersnick, bugler.

Auxiliary officers who were installed were as follows:

Mrs. Dewey Minor, president; Mrs. Norman Saffer, senior vice president; Mrs. Lewis Olson, junior vice president; Mrs. Jack Soukup, treasurer; Mrs. John Stoor, secretary; Mrs. Leo Chartier, chaplain; Mrs. Ivor Willcock, conductress; Mrs. Mildred Lowry, guard; Mrs. Chancey Hinkson, 3-year trustee; Mrs. Earl Malloch 1-year trustee; Mrs. Mary Wood, assistant musician; Mrs. Vivian Soukup, historian, and color bearers, Mrs. William Adams, Mrs. James Chambers, Mrs. Hazel Whitman and Mrs. Clifford Lambert.

A past president's pin was presented to the junior past president, Mrs. Henry Duquette by Mrs. Minor, who also presented a savings bond to Mrs. Hinkson, treasurer, for the past three years. Mrs. Duquette also received a gift from her immediate officers.

A past commander's badge was presented to Dewey Minor by Ivor Willcock.

A social hour followed installation. Pot luck lunch was served from a table centered with daffodils.

Leader Training Meeting Slated

A 4-H leaders' training meeting on improving utilization of storage space will be conducted at the courthouse April 26 by Miss Lucille Ketchum, extension specialist in home management at Michigan State College, East Lansing. The session is scheduled from 10 a. m., to 3 p. m.

Pasty Sale Thursday
First Methodist Church

Mrs. Hoholik Is Named HD Agent

The State Board of Agriculture, governing body for Michigan State College, has appointed Mrs. Jerome (Mary Lou) Hoholik as Home Demonstration Agent for Schoolcraft and Alger counties, effective June 13.

Mrs. Hoholik has two degrees from Kansas State College and has worked as a dietation in Kansas, Louisiana, and Minnesota. She has been a home economics teacher in Manistique High School since 1949.

Mrs. Hoholik's work deals with the home economics phase in both adult and 4-H Club work. Her headquarters will be in the Cooperative Extension office in the basement of the post office here.

Eight From City Will Attend Bank Meeting April 25-26

Eight Manistique bank officials will be leaving this weekend to attend a directors and officers assembly at the Federal Reserve Bank in Minneapolis April 25-26.

Oliver S. Powell, president of the Minneapolis bank, will preside, and the program will include the following talks:

"The Economic Setting," by Franklin L. Parsons, director of research at the bank; "Are Our Debts Too Heavy," by Dr. Paul W. McCracken, professor of business conditions at the University of Michigan; "Attracting New Industry in a Community," by Oscar F. Litterer, business economist for the bank; and "Are We Depression Proof," by Dr. Emerson P. Schmidt, economic research director for the U. S. Department of Commerce, Washington, D. C.

Those going from Manistique are J. L. LeDuc, J. Mauritz Carlson and Fred H. Hahne, of the First National Bank; and Russell Watson, R. G. Hentschell, August Carlson, E. G. Carlstrom and J. Keith Bundy, of the State Savings Bank.

Cooks Will Need Three Teachers

Three Cooks school teachers have not renewed contracts for the coming year, H. C. Schwartz, superintendent of the Inwood Township school reports.

Applications have been received but contracts have not been negotiated as yet to fill the vacancies, he said.

Teachers who did not renew contracts are Mrs. Charles Atwater, home economics teacher who has accepted a position in the Manistique school system; Mrs. Sylvester Rubick, first and second grade teacher, and Mrs. Harold Knuth, third and fourth grade. The latter two indicated they would not be teaching in the coming year.

Revival Meetings Are Underway At Methodist Church

Revival meetings are now in progress at the Free Methodist Church and will continue for the next two weeks, it is announced by the pastor, Robert Sickmiller.

The evangelist for the occasion is the Rev. C. E. Morgan, of St. Louis, Mich. Rev. Morgan has had much experience in evangelistic work and just recently returned from a campaign in Cuba.

His weekly broadcast has made him known to many friends in Northern Michigan. The public is invited to all services.

City Briefs

Mr. and Mrs. J. W. Rounds, of Sault Ste. Marie, visited over the weekend with his father, James Rounds, at the Wendland Convalescent Home.

Michael Radgens left Monday for DePere, Wis., where he attends St. Norbert College, after spending his spring vacation here with his parents, Dr. and Mrs. A. J. Radgens, 611 Manistique Ave.

MHS Students Will Register Thursday

Registration for the 1955-56 school year for sophomores and juniors in Manistique High School is scheduled at 3 p. m., Thursday.

Students have been asked to confer with their parents in advance of registration. Parents may accompany students to discuss study programs with school advisers.

The registration schedule is as follows:

SOPHOMORES
(next year)

Rudie Brandstrom, Ackerman through Brown—Library
Taisto Orhanen, Burns through Doran—Shop
Lowell Cooper, Dragos through Frankovich, Paul—Chem. Lect.
Douglas Elder, Frankovich through Henry—28

Spring Brings Unusual Road Problems Here

An unusual spring break-up of roads is facing the Schoolcraft County road commission, Albert Ackerman, superintendent reports.

The drastic break-up of roads is unexplained, but may be due to the lack of snow and deeply penetrating frost last winter, the superintendent said.

The condition is widespread in the nation, he added, and both Wisconsin and Michigan are facing "tough" problems on non-surfaced roads. Many seem to have "no bottom" as frost comes out, he explained.

The River road, M149 and numerous short road stretches in the county are in only fair condition, he stated. In Manistique township one school bus had to cancel runs due to mud.

In the Copper Country, the roads are in the worst condition in 28 years, Ackerman noted.

Easter Seal Drive Short

Contributions to the 1955 Easter Seal appeal were extended a note of thanks today by Mrs. Carl Olson, president of the Schoolcraft County chapter of the Michigan Society for Crippled Children and Adults Inc.

The chapter is grateful for the cooperation shown and the interest demonstrated in the welfare of crippled children, she stated.

The 1955 goal of $1,000 was not reached, Mrs. Olson reported, but lay contributions are still being mailed to the society through the First National Bank.

Religious Survey Planned In City

Eight churches are cooperating with the Manistique Ministerial association in conducting a religious survey May 1 to obtain correct information on the church affiliation of residents here.

Each church will assume responsibility for a section of the city. The work will begin at 2:30 p. m., on May 1. Only a few minutes will be required in each home.

Churches cooperating in the project are the Bethel Baptist, First Baptist, First Methodist, Free Methodist, Presbyterian, St. Alban Episcopal, Seventh-day Adventist and Zion Lutheran.

Bleachers Ordered For Softball Field

Four 15-foot sections of manufactured bleachers have been ordered by the Manistique Softball association for its coming season.

The bleachers will be of steel and hardwood construction, and will probably be installed along the 3rd base line. In the past the association borrowed bleachers from the school.

At least six teams, and possibly eight, are expected to be playing this year.

New Names In The News

Births at Schoolcraft Memorial Hospital from Saturday through Monday were as follows:

Twin boys to Mr. and Mrs. Albert Mersnick, 135 N. Houghton, on Saturday. They weighed 6 pounds, 7½ ounces and 7 pounds, 3 ounces.

A daughter on Sunday to Mr. and Mrs. Ray Wilcox, of Gulliver. She weighed 7 pounds, 10 3-4 ounces.

A daughter, weighing 5 pounds, 15½ ounces, to Mr. and Mrs. Norman Strassler, of Cooks, on Monday.

City Briefs

Mrs. Samuel Richards, of Calumet, is visiting here with her son-in-law and daughter, Dr. and Mrs. M. B. Ketcik, 215 Walnut St.

Mr. and Mrs. Eli Voisine have returned from a 4-month vacation trip to the West Coast.

Elks Meeting Promptly At 8 Tonight
Special Meeting
Movies

Hiawatha

HIAWATHA — Mr. and Mrs. Ed Lewis went to Munising Sunday to visit with their son, Thomas and his family.

Mr. and Mrs. Ernest Brown and Mrs. Mary McDonald spent the weekend at Shingleton. Mrs. McDonald plans to stay at her home in Shingleton after spending the winter with the Brown family.

Mrs. Russell Ruggles has been dismissed from the hospital in Manistique and is recuperating at home.

Mr. and Mrs. Frank Ruggles and son, Jim, of Carney, are visiting at the Russell Ruggles home this weekend. They accompanied Mr. and Mrs. Russell Ruggles to Van Mere Sunday to visit with Mr. and Mrs. James Barrow.

Rev. and Mrs. Nile C. Byers made a business trip to Petoskey Saturday and visited with their son, Nile Jr., and his family.

Henry Weinert has gone to work at the Machenski Farm in the lower settlement.

Rev. Nile Byers took a group of boys smelt fishing Friday evening and returned with enough smelt to supply the neighborhood.

Mrs. Tennyson, Bernard Schmitz Exchange Vows

Mrs. Clara A. Tennyson, 514 Arbutus Ave., became the bride of Bernard J. Schmitz, of Casper, Wyo., at a ceremony performed Saturday at the First Baptist Church. The Rev. A. Barton Brown officiated at the 6 p. m., double ring service.

During the service Mrs. Tennyson's two sons, Larry and Kenny, sang "I Love You Truly" and Gail Willour sang "Because of You." They were accompanied at the piano by Mrs. Virgil Henry, who also played the "Wedding March," "The Sweetest Story Ever Told" and "Melody of Love."

The bride was attired in a navy blue and pink, street-length dress with navy and pink accessories. She wore a corsage of red roses and lilies of the valley.

Mrs. Leo G. Willour was matron of honor. She wore a black and white street-length dress with red accessories and a corsage of red roses and white carnations. Leo G. Willour, a brother of the bride, was best man.

A reception for 80 guests was held from 7 to 10 p. m., at 444 Walnut St.

Mr. and Mrs. Schmitz left Tuesday for Casper, Wyo., where they will make their home, at 507½ S. Jefferson St. Mr. Schmitz is employed as purchasing agent for the Henning hotel there. Before her marriage the new Mrs. Schmitz was employed at Schoolcraft Memorial Hospital.

New Water Pump Will Be Installed By Engineer May 9

Installation of a high-lift pump in the new Manistique water pumping station is scheduled May 9, O. E. Livermore, city manager, has been informed by the Francis Engineering company of Saginaw.

The pump arrived here a few weeks ago, but automatic controls are awaited before operation can begin. The controls are scheduled to be shipped from Lower Michigan April 30.

The high-lift pump is the last to go in the new station, except for a standby pump. An engineer is to be sent here by the Saginaw firm for the installation.

CARD OF THANKS

I would like to say "Thank You" to all the wonderful friends and neighbors for the many lovely cards, the flowers and gifts, which were sent to me during my recent illness, also to the Nurses at the Schoolcraft Memorial Hospital for their wonderful care, and to Drs. Wehner and Jensen. Each act will be remembered and appreciated like a ray of sunshine during a dark time. May God Bless you all.

Rev. Violet Byers.

Owosso Wreck Fatal To Four

OWOSSO (AP)—Four teen-agers on a joy ride were killed Monday night and another was injured when their car missed a curve and hit a tree on North Chipman Road two miles north of Owosso.

Killed were Morris L. Gates, 19; Donald Koerner, 19, Gloria Baker, 14, and Helen Louth, 17. All were from Owosso.

Police identified Gates as the driver.

Dale Griffus, about 17, also of Owosso suffered compound fractures of the legs in the crash. He was taken to Memorial Hospital in Owosso.

Griffus told police Gates picked up him and the three other passengers in West Owosso. Griffus said the car was traveling at high speed when it missed the curve.

Isabella

Bridal Shower

A bridal shower honoring Miss Patsy Moberg and Gilbert Johnson will be held Saturday evening, April 23, at the Isabella Community Hall. Games will be played and refreshments will be served. All are invited.

Baptism Rites

Ann Helen, infant daughter of Mr. and Mrs. Richard McClinchy, was baptized Sunday at St. Alban's Episcopal Church in Manistique by Bishop Herman Page, D.D. Sponsors were Mr. and Mrs. Ted Sundin and Mrs. Mabel Kausbaugh. Also attending were Mr. and Mrs. Harvey Sundin, Mrs. Julia Sundin, Mr. and Mrs. Edwin Sundin and Miss Olive McClinchy.

Briefs

Mr. and Mrs. Arvid Sundin, Mr. and Mrs. Harvey Sundin, Mrs. Judith Strom and Mrs. Julia Sundin were weekend guests at the John Wood home, Manistique.

Elmer Hall Sr. was admitted to Schoolcraft Memorial Hospital, Manistique, for x-rays.

Mr. and Mrs. Gust Soderberg were guests at the wedding of Miss Pat Bolm and Jack Erickson at Bark River Saturday.

Pete Forslund, Harvey Sundin, Dale Watchorn and Jacob Landis have returned to Blaney where they are employed in construction work.

Mrs. Gust Soderberg will attend the Green Bay District Conference of the Augusfana Lutheran Church at Ishpeming. She will be accompanied by Mrs. Nick Bonifas.

Mr. and Mrs. John Kallin spent Sunday at the John Wood home at Manistique.

The John and Alfred Erickson families have moved their house trailers to Germfask after spending the past several months in Isabella.

Mrs. Emil Erickson of Rogers City spent the weekend visiting her mother, Mrs. Sara Legault at the Henry Legault home.

Mr. and Mrs. Maurice LaVigne are vacationing in Texas and Arizona.

Water Fluoridation Safe Beyond Doubt, Says Dental Official

DETROIT (AP)—Dr. Daniel F. Lynch, president of the American Dental Assn., said that treatment of public water supplies with fluorides to prevent tooth decay has been proven effective and safe beyond all reasonable doubt.

In a speech delivered at the annual meeting of the Michigan State Dental Assn., Dr. Lynch said:

"Since it can be prevented, the loss of permanent teeth in children and young adults is shocking."

Dr. Lynch said that in a democratic society it is up to each community to decide whether its water should be fluoridated.

In This Corner

With Ray Crandall

The outfield fences at Memorial Field won't be so distant this season . . . Players and managers voted to move the barriers in 10 feet, which means it is now 240 feet from home plate to the fence — all around the diamond . . . The decreased distance will mean more home runs this season and that's what fans apparently like to see . . . The fences at one time were only 235 feet from home plate.

* * *

Softball will get a needed shot in the arm Saturday when players, managers, Association officials and businessmen get together on a Softball Promotion Day . . . As the home of the state Class A championship team, Harnischfeger, Escanaba can be considered the center of softball in the Upper Peninsula . . . In order to deserve that title, Escanaba must offer the best there is in softball.

* * *

That means Memorial Field must be put into tip-top shape and kept that way . . . It takes money to keep the field, stadium, lighting system, public address and other facilities in good condition . . . There is no question that softball is one of the most popular sports in this city, but even so the turnstiles click slowly over the summer months . . . . The gate receipts from the regular season barely cover expenses.

* * *

The idea for the Softball Promotion Day was forwarded by Herb Flath, an old friend of softball here . . He is assisting in plans for the sale of season tickets which will be conducted Saturday . . . It is hoped that the season ticket sale will put the Softball Association on its feet financially and make the program here even more successful than it has been in past years.

* * *

This is the first time in our memory that softball in Escanaba has called on the general public for help financially . . . It seems to us that a good response is indicated for the sport that has made Escanaba known throughout the state as the producer of top-grade teams . . . It won't be long before Escanaba will again be the site of state tournament competition in softball, as it was two years ago, and it is vitally important that the softball fans and sports in general back the Softball Association in its effort to stay out of the red.

Weather Hampers Eskymo Baseball Squad Workouts

Cold and rainy weather is taking its toll of practice sessions for the Escanaba Eskymo baseball team but Coach Jim Rouman's squad is fairly well set at most positions as the home opener against Marquette next Monday nears.

Among the spots still open on the team are first base and the outfield, and there are several top candidates for some of the other positions. Nine lettermen from last year's undefeated team form the nucleus of the squad.

The Eskymos worked out whenever possible through the Easter vacation and were outside yesterday for the first time since classes resumed.

Oustanding Sophomores

There have been no cuts on the large squad of candidates as yet but some players have dropped in the face of tough competition from veteran players.

Among the new sophomore candidates are a pair of players termed "outstanding" by Coach Rouman. They are Allan Erickson, a catcher, and Bucky Flath, an infielder.

There are also a number of freshman candidates for the team this year but the restricted workouts have made it hard to select the better prospects from that group, Rouman said.

The Eskymos have been unable to practice on the city diamond as yet but hope to get in several sessions before Monday if the weather permits. An intersquad practice game is scheduled for Saturday morning at 10. The game will be a regular nine-inning affair under actual game conditions.

Mound Staff Set

The Escanaba pitching staff seems fairly well settled around four hurlers, senior Harlan Brietzman and juniors Ricky Erickson, Bill Ringuette and Elmer Bessonen.

When the Eskymos take to the field Monday afternoon against Marquette they will be seeking to stretch the longest baseball victory string in the state. Rouman's Esky ball players have won their last 35 straight games. The win string extends all the way back to the middle of the 1950 season. After winning their last five games in 1950, the Eskymos have posted perfect records in 1951, 1952, 1953 and 1954.

The Eskymos have an eight-game schedule this season. In addition to the Marquette Redmen, home games will be played against Holy Name, Stephenson, Ishpeming and Gladstone. The Eskymos will travel to Stephenson, Marquette and Ishpeming.

The complete schedule:

April 25—Marquette here
April 28—Stephenson there
May 5—Holy Name here
May 9—Ishpeming here
May 12—Stephenson here
May 19—Marquette there
May 23—Ishpeming there
May 26—Gladstone here

Kraiger Leads In All-Events

Several changes were recorded among the leaders in the City Association bowling tournament with William Kraiger moving into the all-events lead with 1858 and fourth in the singles with 659.

Goebel's rolled a 2938 total for third spot in the team standings. Al Dagenais and Mel Manske took over fourth in doubles with 1213. Ted Makosky edged into fifth in singles with a 655 count.

Current leaders:

TECH BOXER—Carl Frans, an Escanaba High School graduate in 1952, was awarded a boxing monogram at Michigan Tech, Houghton, for his work on the Huskies' mitt team this year. Frans is a junior in Mechanical Engineering and serving his first year on the boxing team at 139 pounds. He is the son of Mr. and Mrs. Carl Frans, 926 Sheridan Rd.

ON THE MOVE

Morgantown, W. Va. — (NEA) West Virginia's basketball team traveled 9620 miles this past winter.

Only one filly, Delta, has been named for the Florida Derby at Gulfstream Park. All other 76 nominees are colts or geldings.

Harvey Larson Named Church Dartball Head

Harvey Larson of Gladstone was elected president of the Delta County Church Dartball Association at the annual banquet which was attended by 175 players and guests last night at the Rapid River gym.

Other new officers elected for next season were Robert Carlson of Rapid River, vice president; John Hjort of Escanaba, secretary; and William Artley of Gladstone, treasurer.

The Rev. Wilbert Johnson, pastor of the Calvary Lutheran Church in Rapid River was the main speaker. He praised the dartball league for its part in promotion of good fellowship in the district.

The Rev. James G. Ward of St. Stephen's Episcopal Church in Escanaba served as toastmaster and the Rev. Byron Hatch, First Methodist pastor in Escanaba, gave the invocation and benediction.

Past president Leonard (Gump) Olson presented trophies to Bethany Lutheran, league champions; First Methodist, tournament champions, Gladstone Red Shirts, tourney runners-up; Wally Larson of First Methodist, league batting champion, and Henry Martinson of Red Shirts, runner-up batting trophy.

Group singing was led by Olson with Donald Grenfell providing piano music.

Braves Go For Third Straight Over Cubs; Winning Run Walks In

CHICAGO (AP)—The Milwaukee Braves, sitting high in the National League standings, go after their third consecutive victory over the Chicago Cubs today.

Milwaukee won a close 3-2 decision from the Cubs at Milwaukee Tuesday to sweep their two-game series at County Stadium.

Cubs righthander Rob Rush gave up only four hits, but one walk too many in the eighth inning forced home the winning run for Milwaukee.

The eighth inning was a nightmare of wildness for Rush as he issued four bases on balls, breaking a 2-2 tie. The game winning pass was given to Johnny Logan with the bases full.

Billy Bruton walked to open the frame. Hank Aaron sacrificed him to second. Eddie Mathews was walked intentionally. Both runners advanced when Bobby Thomson grounded. Joe Adcock walked—and then Logan whose pass walked in Bruton with winning run.

The victory went to Gene Conley, who allowed eight hits. It was his first decision in two starts this year.

Chicago	000 010 010—2	8	0
Milwaukee	200 000 01x—3	4	1

YANKEE INFLUENCE

Hanover, N. H. — (NEA) — Two former New York Yankee stars are coaching Dartmouth's baseball team this spring — Bob Shawkey and Red Rolfe.

Jockey Sammy Boulmetis will be trying for his third Capitol Handicap victory April 19, opening day at Laurel race track. Boulmetis won on Suleiman in 1951 and Algasir in 1952.

Somebody Had Better Stop Dodgers In National Race

By ED WILKS
(By The Associated Press)

The Western division clubs better get going on their first swing through the east before the Brooklyn Dodgers get any fatter on the likes of Philadelphia, New York and Pittsburgh in the National League race.

This was supposed to be a neck-and-neck pennant race in the NL, but the Brooks have been gobbling up everything in sight—namely the Phils, Giants and Pirates. Those three have provided the Dodgers with eight straight victories as Brooklyn opens a 13-game home stand tonight just one short of tying the modern major league record for consecutive triumphs at the start of the season.

Philadelphia became victim No. 8 Tuesday night, although giving the Brooks a hard time, 7-6.

2½ Games Ahead

That moved the Dodgers 2½ games ahead of Milwaukee, which beat Chicago 3-2 in an afternoon game, and 5½ ahead of the sixth-place Giants, the other prospective pennant chasers, who were idled by cold and rain against Pittsburgh. The other NL game went to St. Louis 6-5 in 11 innings over Cincinnati under the lights.

Kansas City scored five runs in the ninth to beat Cleveland 8-7 in the only American League game. Rain postponed Washington's doubleheader at Boston, the only other action scheduled.

Nothing New

A fast start is not new to the Dodgers. They won nine straight in 1940 to share the record with the 1918 Giants and 1944 St. Louis Browns. Cincinnati and Bucky Walters snapped the string with a 1-0 no-hitter, and Cincinnati went on to win the pennant and the world series that year. Brooklyn wound up 12 games back in second.

Milwaukee held on to second place when Bob Rush walked four men in the eighth, forcing in the winning run. The veteran Chicago righthander gave up just four hits and walked only one other batter.

Win On Errors

St. Louis blew a 5-0 lead and was extended into extra innings by Gus Bell's solo homer in the ninth, but capitalized on Cincinnati errors to save the game. Two errors, a bun and Bill Sarni's pinch single won it for reliefer Frank Smith in the 11th. Harvey Haddix, the Cardinal starter, was rocked for four runs in the sixth as Ted Kluszewski hit a three-run homer.

Cleveland had its usual power, but rookie Herb Score went sour in the ninth and Mike Garcia was clobbered in relief. Vic Power tripled, Elmer Valo hit a pinch double and Bill Wilson, who started the A's big inning with a walk, capped it with a bases-loaded single that scored the winning run. Gust Zernial and Jim Finigan homered, but Score had a 7-3 lead going into the ninth. Al Rosen homored twice and Ralph Kiner once for the Tribe.

Cardinals Have Two Of Brightest Young Rookies In Baseball

By JOE REICHLER

NEW YORK (AP)—Rookie outfielder Glen Gorbous of Cincinnati, pitcher Larry Jackson and infielder Ken Boyer of St. Louis and catcher Hal Smith of Baltimore have shone the brightest among the 83 newcomers to the major league baseball scene during the first week of the season.

Others who have been impressive include outfielders Bill Virdon, Cardinals; Roberto Clemente, Pittsburgh; Stan Palys, Philadelphia, infielder Gus Triandos, Baltimore, catcher Hank Foiles and pitcher Herb Score, Cleveland.

Gorbous, a 24-year-old draftee from the Brooklyn Dodger chain in Fort Worth, he has collected six hits in 10 times at bat, banging three doubles and driving in three runs.

Boyer Hitting .281

Boyer, 23-year-old third baseman hitting safely in each of the Cards' first six games, owns a .281 average on nine hits in 32 times at bat. He has driven in seven runs with a pair of doubles a triple and home run. In the field he has handled 15 chances without an error.

Smith has caught three of Baltimore's first six games and has cracked four singles in 10 times at bat. Triandos, who alternates at first base for the Orioles with Eddie Waitkus, has five hits in 16 at bats for a .313 average.

Clemente, a 20-year-old Puerto Rican, is hitting .417 with five in 12 including a home run. Virdon, who forced the Stan Musial switch to first base with his fine all-around play in center field, was batting .400 6 of 15 before he was sidelined with a sore throat. Foilee, bespectacled catcher up from Indianapolis, has three hits, including two doubles, in eight at bats.

Has 18 Strikeouts

Among the pitchers, Score has impressed despite his knockout by Kansas City Tuesday. The 21-year-old southpaw, leading candidate for American League honors, whipped Detroit 7-3 in his first outing and had a 7-3 lead until he weakened in the ninth Tuesday. He struck out and walked nine in his first game and fanned nine while walking three in his second.

Jackson, a 24-year-old righthander, hurled an impressive four-hitter in vanquishing the Cubs 14-1 in the second game of Sunday's doubleheader. He walked only one and struck out three.

Veteran Hatfield Gives New 'Double Play' Look To Tigers This Season

By JOE FALLS

DETROIT (AP)—Second baseman Fred Hatfield, getting his big chance to become a regular at the rather ripe baseball age of 30, has given a new "double play" look to the infield of the Detroit Tigers.

The confident, almost cocky Hatfield is making the "D.P." work for the Tigers — something which was so sadly lacking last season.

In their first six games, the Tigers clicked off nine double plays. Eight were exclusively in the infield—with Hatfield taking part in every one of them.

Hatfield started two twin-killings. He was the middle man in six others.

Hasn't Had Error

Moreover, he has handled 35 chances without a miscue—21 put outs and 14 assists.

Hatfield was a key figure today when the Tigers opened a two-game stand against the Chicago White Sox. Billy Hoeft, the problem lefty, was named to oppose Chicago's Sandy Consuegra.

When Bucky Harris became manager of the Tigers, one of the first questions fired at him was: "What about second base?"

It was a fair question. The Tigers were weak at second last season. They ranked last in the league in making double plays.

Not Much Choice

Harris didn't have much choice. Hatfield was the only player on the roster with any appreciable second-base experience.

So it came as no surprise when Harris announced:

"Hatfield is my man for second base."

The next question, then, was how long could Hatfield hold the position. After all, he had been in the majors since 1950 and never earned the tag of "regular."

In spring training, Hatfield, realized that this was his sink-or-swim chance, said:

"This is the best chance I've had with this ball club or any other. I'm going to make the most of it."

Raschi Is Placed On Waivers By Cardinals

ST. LOUIS (AP)— Vic Raschi, a key pitcher in the New York Yankees' five straight world championships, has been put on the waiver block by the St. Louis Cardinals.

The Redbirds announced Tuesday they are asking waivers on the 36-year-old righthander for the purpose of giving him his unconditional release.

Raschi, who developed back trouble this spring and was belted hard in his only starting role for the Cards, said he is "physically sound and my back feels good."

Failed To Go Two

He failed to last two innings Monday night against Cincinnati and only worked five innings during the exhibition season.

Raschi, who cost the Cards about $85,000 in February, 1954 after contract trouble with the Yankees, won 120 games and lost only 50 in his career with the Bombers from 1947 through 1953. The six-foot-one, 210-pound Raschi teamed with Allie Reynolds, now retired, in pitching the Yankees to their five-straight championships, winning 21 games in three of those years—1949-51.

Need Young Hurlers

Eddie Stanky, Cardinals manager, said "we believe we are compelled to stake the Cardinal chances for success in 1955 on younger pitchers who have shown fine promise."

If Raschi is claimed before a 72-hour period the price is $1 but the club must pay his present salary of about $35,000. After that period, he becomes a free agent and can deal with clubs on his own terms.

Vic had a disappointing 8-9 record in his only full season with the Cards in 1954.

Goodreau, Anderson Cop City Ping Pong Tournament Crowns

Bill Goodreau and Bob Anderson captured table tennis titles in the final session of the city-wide ping pong tournament at Club 314 last night.

Goodreau won the Intermediate title for boys 16 and 17 by taking t wostraight from Jerry Guindon in the championship match, 21-17 and 21-18. He had advanced to the finals with wins over Bill Redman and John Hovey. Guindon moved to the title match with victories over Jerry Martin and Ray Warner.

Anderson was extended to three games in the Junior championship match by Dave Nordin. Anderson won the first game 21-14, lost the second 15-21 and came back to take the third 21-13. The age group covers boys 14 and 15.

Pfeiffer's Beer Team Eyes Third ABC Crown

FORT WAYNE, Ind. (AP)—After one of the heaviest scoring sprees in ABC tournament history, the famed Pfeiffer's Beer quintet of Detroit appeared to have a stranglehold for an unprecedented third team championship.

The Detroit keglers, led by Therm Gibson and Louis Sielaff, posted a brilliant 3,136 total in Tuesday night's shooting to take a commanding 83 pin lead. The Pfeiffer's seek to become the first team in ABC history to win three team championships.

Pfeiffer's figure has been surpassed by only six other championship teams. Gibson led with a 680; Sielaff had 647 and anchorman Fred Bujack a respectable 627.

Won In 1952, 1953

The Pfeiffer's won the 1953 title and in 1952, under the E. & B. Beer name, also copped the team crown.

A pickup team, Modern Bowlers of Detroit blasted into third place with a 3,043 tally. Mady's Lanes of South St. Paul, Minn., jumped into fourth with a 3,020 total. The 620 Club of Minneapoli, remained in second place with 3,047, posted last Saturday.

The Modern Bowlers five was made up of two six men from other teams, a third who forgot to enter the ABC; one on his way back from the national doubles, and another who chose to wait around for the right team. Four men shot over 600, paced by the 641 of Graz Castellano. Games were 1,021, 976 and 1,046.

Leo Mann led Mady's Lanes with a 645 series. He opened the final game with nine straight strikes, then left the 4-7-10 split on the 10th, ending with 265.

Another bowler had a bigger streak going Tuesday. He was Chuck Ciardo of Milwaukee, who knocked off 10 straight strikes before missing on the 1[illegible]h and finishing with a 288.

Three changes were recorded in the individual standing. By Jarus and Eddie Brickell of Fort Worth moved into sixth in the doubles with a 1,273 total and Tony Babs and Fred Fikes of Chicago tied for eight with 1,260. Joe Paulus of Detroit, who bowled with Modern Bowlers at night, tie for seventh in singles with a 686.

TO THE SHOWERS—TWICE—Yank's outfielder Irv Noren showers at Boston's Fenway Park after learning that he has been suspended indefinitely by American League President Will Harridge pending a report by the umpire on a home-plate row during a game with the Red Sox. (NEA Telephoto)

EARLIER SCHEDULE FOR PENINSULA "400"

Effective April 24, the South bound PENINSULA "400" Streamliner will operate on a thirty minute earlier schedule. This will provide a more convenient arrival at Milwaukee for Braves' fans, and will also afford better connections at Chicago with trains for the East.

On its new schedule the PENINSULA "400" will leave Escanaba at 7:43 A. M., CST, with thirty minute earlier arrivals at intermediate stops, arriving Milwaukee 12:40 P. M. and Chicago 2:05 P. M. (on Sundays 2:25 P. M.).

For full information please consult your local North Western agent, who will be glad to help you plan your business and pleasure trips.

This Looks Like Off Year For Notre Dame Grid Team

SOUTH BEND, Ind. (AP)—If Coach Terry Brennan this fall matches the 9-1 record he compiled last year in his debut at Notre Dame, it should be ranked as the best football coaching feat of the season.

Brennan and his staff now have 16 more spring practices remaining to form the framework of a vast rebuilding effort for the 1955 gridiron campaign.

A group of great Irish players is being graduated and Notre Dame—at least on paper—appears headed into an "off year" of growing pains.

Graduation Losses

Graduation will take such linemen as Frank Varrichione, Dick Szymanski, Jack Lee, Sam Palumbo, Dan Shannon and Paul Matz, and such backs as All-America Ralph Guglielmi and Joe Heap.

Notre Dame's freshman crop—sophomores next season—numbers only 17. Three of the rookies are highly regarded and may make the first team.

The three are fullback—halfback Dick Wilkins of Duncan, Okla., guard-linebacker Al Francis of San Jose, Calif., and end Dick Prendergast of Chicago's Mount Carmel High, where Brennan coached before replacing Frank Leahy at Notre Dame.

Schaefer Shifts

Assistant coach Johnny Druze describes each this way:

"Wilkins has fine speed, hits hard and has a tremendous desire to play. He weighs 190 and is fast.

"Francis is 218 and fast. He looks good pulling out of the line and blocking. Prendergast, 6-1, 198 has some fine potentialities as a pass catcher and has shown us some good downfield blocking."

The core of Notre Dame's backfield will be Paul Hornung at quarterback, supported by Don Schaefer. Schaefer, when not used at quarterback, may be at fullback, where he was outstanding in 1954.

Dick Fitzgerald is another senior fullback.

Knee Casualties

A trio of 1955 juniors is ready for halfback duty—Jim Morse, Sherrill Sipee and Dean Studer. Senior Paul Reynolds also returns for work at this spot.

Among upper classmen bulwarking the line are tackles Wayne Edmonds, Gene Martell and George Nicula; guards Pat Bisceglia, Ray Lemek out of spring drills with a bad knee and Nick Raich shifted from fullback; centers Jim Mense and Lou Loncaric, and ends Bob Scannel and Gene Kapish who has undergone a knee operation.

Zulueta Takes Shot At Carter

WASHINGTON (AP) — Orlando Zulueta, smarting under what he calls three straight raw decisions, goes after lightweight champion Jimmy Carter tonight with a crack at the title hanging in the balance.

Promoter Goldie Ahearn said that if Zulueta wins or turns in a fine performance, he'll get another chance with Carter's title at stake in June at Griffith Stadium.

Zulueta, a 26-year-old Cuban, was the No. 1 lightweight contender not long ago but has dropped to No. 9

Zulueta has won 52, lost 22 and drawn 10 times, losing twice and drawing once in his last three outings.

Carter, who has lost his championship twice but regained it each time, has won 69, lost 19 and drawn 9 times.

The fight will be televised nationally (9 p.m. CST) by CBS-TV.

FIGHTS LAST NIGHT

(By The Associated Press)

Salt Lake City—Rex Layne, 208, Salt Lake City, stopped Willy Jackson, 180, Alberta, 2.

Miami Beach—Joe Lindsay, 186½, Brooklyn, outpointed Bob Satterfield, 181, Chicago, 10.

Chicago—Dick Carr, 140½, Chicago, outpointed Frank Smith, 145, Chicago, 8.

Stydahar And Cards Parting?

By JERRY LISKA

CHICAGO (AP) — On the midwest sports beat:

They'll deny it, but the Chicago football Cardinals and Coach Joe Stydahar will part company soon . . . The question of Joe's salary for next fall rounding out a three-year contract is the hitch. . . The Cards have their sights on Buck Shaw, the former San Francisco Forty-Niner coach. . .

The Chicago Bears are keeping an eye on Giant pitcher Paul Giel . . . They think pretty soon the former Minnesota football whiz will be ready to talk Bear business. . .

George S. May's "World" golf gold hunt at Tam O'Shanter this summer guarantees a minimum $106,000 purse to the winner. . . The actual hard cash is $50,000 first prize, but May also tosses in a minimum of 55 May-sponsored exhibitions at $1,000 each, an option of 50 more exhibitions at $1,000, and a $1,000 caddy fee. . .

Texas League baseball writers this year will select a "Manager of the Year" and a "Rookie of the Year."

Spartan Sidelines

By ROBERT E. VOGES

EAST LANSING (AP) — Michigan State quarterbacks will be calling their signals in Army style this football season.

Sideliners noticed the quarterbacks were chanting "huph! huph! huph!" instead of the familiar "one-two! three-four!" in practices this week.

Coach Duffy Daugherty was asked what it was all about.

"How many football players do you know that count to four?" Daugherty asked, grinning.

Then he went into a serious explanation of the reasons for the change.

"We're trying to break up the old rythmetic count," he explained. "The old count was something like a drum beat. The players got so sometimes they wouldn't listen to it and would start leaning and anticipating the go. That way you get offsides.

"This way you can vary the count—fast or slow—and the players are forced to listen. We went up and down the field three times in last Saturday's practice scrimmage and there was only one offside."

Danny Devine, former MSC backfield coach, is back in Michigan this week to pick up his family and take them to the land of the gila monster and cactus, where he's now head coach at Arizona State.

Devine said the Mexican lads in the area make fine football players.

"We had a couple of Mexicans playing on defense in a practice session one day," he said. "They were pushed back to the five-yard line.

"Then one of the boys drew a line and told the others—'this is the Mexican border. Don't let them across'. And they stopped them."

Fan Fare

Japanese Sets Mark In Boston Marathon

BOSTON (AP) — Hideo Hamamura has established a sparkling record of 2:18:22 in winning the 50th Boston AA marathon — world's second fastest time for the classic distance.

The 26-year-old Japanese government clerk beat all previous clockings except the 2:17:39.4 by England's Jim Peters last June in London.

Czechoslovakia's great Emil Zatopek holds the Olympic marathon mark of 2:23:03.2.

Finland's Eini Pulkkinen was second to Hamamura in 2:19:23. Nick Costes, Natick, Mass., came in third in a brilliant 2:19.57—almost six minutes faster than any American previously had done.

Sports Of All Sorts

KALAMAZOO (AP)—The University of Michigan baseball team blew a five-run first inning lead and bowed to Western Michigan College, 7-5, Tuesday. Southpaw Gary Graham salvaged the victory for the Broncos, hurling a two-hit game after relieving starter Jim Smith in the first inning.

CHEBOYGAN (AP) — William Banagh, 19, former Cheboygan High School football and track athlete, has been appointed to the U. S. Military Academy at West Point. He will report in July.

KALAMAZOO (AP)—Illinois Tech's baseball team collected six runs in the first three innings and defeated Kalamazoo College, 10-4, Tuesday. Gary Morrison was the big gun in the Kalamazoo hitting department, connecting for two triples and a single.

DETROIT (AP) — A seven-run outburst in the eighth inning gave Wayne University's baseball team an 8-3 victory over Bowling Green University Tuesday.

OLIVET (AP) — Hope pitcher Bill Rink fanned 14 batters but still came out on the short end of a 3-2 score in an MIAA baseball game with Olivet College Tuesday.

CHICAGO (AP) — Tom Hickey, 150-pound Michigan State NCAA champion, won his 11th straight pro boxing victory with an eight-round decision over Ralph Alvarez of St. Paul at Marigold Gardens Tuesday night. Ernest Mosly, 149, Benton Harbor, Mich., outpointed Chico Ochoa, 150½, Chicago, in a four-round bout.

CHICAGO (AP)—Big Ten officials will take bids in the near future for a television package of five region football dates.

Bill Reed, assistant Big Ten commissioner, said Tuesday the five dates to be sold to a network or sponsor will be selected by the buyer. No school can make more than two regional appearances or more than one national.

Prep Pitcher Tosses Perfect Ball Game

CRISFIELD, Md. (AP)—A 15-year old Crisfield High School baseball player pitched a perfect game Tuesday as Crisfield defeated Marion High School, 4-0.

Charles Sonny Landon, a sophomore pitching his second season, didn't allow a single man to reach first base. He struck out eight, gave up no hits or walks, and his teammates played errorless ball.

Yesterday's Stars

(By The Associated Press)

Batting: Vic Power, Athletics—Got four hits in five trips, including a two-run triple in a five-run ninth inning as the A's overhauled Cleveland 8-7.

Pitching: Gene Conley, Braves—Scattered seven singles and a double over nine innings to beat Bob Rush and the Chicago Cubs 3-2.

Sport Shorties

The major league record of 23 "grand slam" homers was set by the late Lou Gehrig of the Yankees in 23 big league seasons of play.

Bob Lemon of the Cleveland Indians likes to pitch at night. During 1954 the big righthander won 10 games and lost only one under the lights.

Two umpires in the American League are former grid players for the New York Giants in the NFL. They are Hank Soar and Frank Umont.

National League umpire Augie Donatelli was captured by the Nazis during World War II and held 15 months in a Prisoner of War camp.

First Baseman Harry Agganis of the Boston Red Sox is the only member of the team born in Massachusetts.

FACTS PROVE IT!

GET THE FACTS ON "ALL 3" LOW-PRICE CARS AND YOU'LL HAVE PROOF PLYMOUTH IS FIRST:

First in Size—By actual measurement, the 1955 Plymouth is the longest car of the low-price 3. (It's even bigger than some medium-price cars.) Plymouth is truly a big car . . . 17 feet long!

First in Roominess—Plymouth is also the biggest car inside, with the greatest hip room and leg room. More comfort for you! And Plymouth's trunk, by far the largest in its field, lets you pack everything.

First in Visibility—Comparison proves that Plymouth's glamorous new Full-View windshield—with cornerposts swept back both top and bottom—gives you the greatest visibility of "all 3."

First in Beauty—Compare styling and see why *Charm*, a leading fashion magazine, chose Plymouth "Beauty Buy of the Year." Plymouth's long, sleek Forward Look wins over the hand-me-down styling of the "other 2"

First in Economy—Smoothest and thriftiest engine of all! That's the fast-stepping new 6-cylinder PowerFlow 117. Its Chrome-Sealed Action means extra thousands of trouble-free miles.

First in Riding Comfort—Plymouth gives you the most comfortable ride you ever experienced in a low-price car. Only the biggest car in the lowest-price field can give you a true big-car ride.

First in Extra Value—Plymouth gives you many extra-value features that the "other 2" low-price cars don't have. Come in and let us show you why Plymouth is first for value!

Why pay up to $500 more for a car smaller than Plymouth?

Don't be fooled by the claims of so-called medium-price cars that they cost practically the same as Plymouth. When you compare price tags you'll find that, *model for model*, Plymouth sells for much, much less than medium-price cars, and gives you more car for your money!

BEST BUY NEW; BETTER TRADE-IN, TOO!

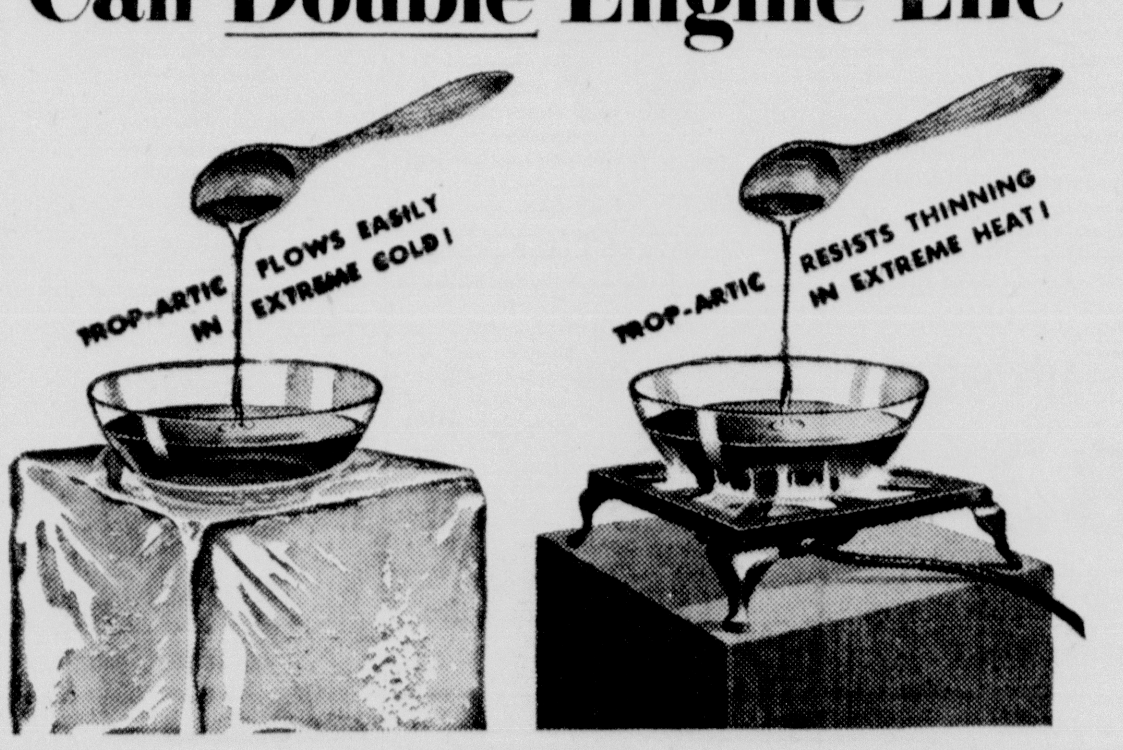
Why Trop-Artic Oil Can Double Engine Life



IT'S PERFORMANCE THAT COUNTS!

Some motor oils give good protection at *low* temperatures. Other oils are effective at *high* temperatures. But new TROP-ARTIC All-Weather motor oil gives protection at *all* temperatures, from below zero to extremely high heat.

So it's easy to see why TROP-ARTIC is so much better than ordinary motor oils at preventing engine wear . . . so much better that it can even *double* engine life. TROP-ARTIC lets you start easier . . . saves you gasoline . . . and can save 15% to 45% on oil consumption.

Phillips 66 TROP-ARTIC is the *first* all-weather oil to meet the highest standard ever established for automobile motor oils . . . the Mil-0-2104 Supplement 1 Test.

Get new TROP-ARTIC Motor Oil from your Phillips 66 Dealer. Remember, it's *performance* that counts!
